Sequoias Open Season Here Saturday Against Libertyville-Fremont

Twenty Games, 3 Tournaments on Antioch High Full Schedule

Antioch High will open its basketball season here Saturday in a non-conference game against the strong Libertyville-Fremont Township High School team.

The Sequoias have in mind the defeat they received at the hands of Libertyville's Wildcats at the opening of the season there last year, and will be out for revenge. Coach Larry Leon will have to build his team around three returning lettermen, Art Hanke and Wayne Herbst, two seniors capable of playing at forward or center, and Dick Behrens, a junior who did good work at guard.

His starting lineup probably will be Hanke and Herbst, forwards; Leroy Gallagher or Jim Olschlager at center; and Behrens, Pat Roach, Dick Hogan, or Ed Kadlec at guard. The varsity game will start at 8:30 p.m. and a preliminary between the freshman-sophomore teams of the two schools will start at 7 p.m. Libertyville has an experienced team and is expected to be a strong contender for the championship of (Continued on page 3)

Coddington Hardware Store Sold Monday To Bob, Ted Castoff

Sale of the Coddington Hardware Co. store at Lake st. and Rte. 173 to Robert and Theodore Castoff, Chicago, was announced Monday by Mrs. Jane Coddington and the store manager, Edwin Runnfeldt.

The new owners took charge immediately. The Coddington hardware store was started six years ago by the late Robert Coddington and gained nationwide attention because of its initial success as a store of this kind started in a rural area. It was the object of a visit by a delegation of hardware dealers from Denmark.

The new owners have obtained an Ace franchise and will convert the establishment fully into the Ace type of store with a check-out counter and with self-service opportunity when clerks are not needed.

The Castoffs formerly operated a Certified grocery store in the western part of Chicago. For the past year and a half Robert has been a salesman for Kimberly Clark Co. in Pennsylvania, and Theodore has been a salesman for the Sherman Paper Products Co.

While no radical change will be made at this time, the sales room will be enlarged after Jan. 1 to permit more stock by moving the rear partition back and reducing the storage room.

Mr. Runnfeldt and Mrs. Coddington have not decided on future plans.

Legal Notice Provides Additional Information On School Referendum

The legal notice in today's Antioch News announcing the High School Dist. 117 referendum Nov. 30 to decide for or against a 15 cent increase in the educational tax rate gives additional information on voting.

The polling places will be at the high school for Antioch and Newport township residents; at Lake Villa Grade School for residents of Lake Villa west of Beck road; and at Lindenhurst for residents of the area east of Beck road.

In announcing the request for upping the educational tax rate from 65 cents to 80 cents on the \$100 assessed valuation, estimates are that tax income now at \$253,500 will increase to \$312,000.

On Lawrence Honor Roll
Miss Nancy Rentner, 375 Hardin st., has been named to the Lawrence College "honor roll" at Appleton, Wis. This is a rating which means an achievement of 2 or more on a 3 point scale. It covers the scholastic record for the second semester of the past school year.

In Hospital for Heart Allment
George Roepke of Twin Lakes, Wis., suffered a heart attack recently and will be hospitalized at Burlington Memorial hospital for several weeks. He and a son are proprietors of the Bamboo Hut at Twin Lakes. He is a cousin of Mr. and Mrs. Henry A. Mau of Lake Marie, Antioch.

Lake Villa Telephone Base Rate Area Bigger In Request Before ICC

The Illinois Bell Telephone Co. has filed with the Illinois Commerce Commission a proposed change in its local exchange tariff at Lake Villa involving an extension of the base rate area.

The change proposed is to include a small part of the Fox Lake area in the orbit of the Lake Villa exchange.

A copy of the proposed filing may be inspected by any interested party at the business office of the company in Antioch.

Northwestern Survey Group Reports on Unit School District Data

Boards of Education of the high school and grade schools in Antioch and Lake Villa townships will get the verdict of the Northwestern University Survey Services at the meeting called by the Citizens Fact Finding Committee on Dec. 2.

The public will get the information thereafter in a public meeting Dec. 5.

This was the announcement following a report to the committee Tuesday night at the Antioch Township High School by Dr. Jack Childress and Dr. Robert Chandler and their three assistants, who analyzed the facts given them by the committee and drew conclusions.

These conclusions are to be given directly to the school boards for their acceptance and action. On the basis of meetings called there is indication that the report merits some kind of action.

144 on Honor Roll at Antioch High School For First Six Weeks

The names of 144 students or about one-fourth of the school enrollment are on the honor roll at Antioch Township High School for the first six weeks.

Fifty-six freshmen, or about as many as listed for the entire school 10 years ago are on the roll. This is more than twice the number of juniors or seniors and testifies to the fact that the enrollment is growing.

A total of 10 students have a 20-point perfect record. They are Tom Sanhamel, and Paula Zeien, seniors; Sonya Pickus and Donna Winstead, juniors; Sharon Dittman, George (continued on page 5)

Salem Central Ends Football Season With Victory Over St. Mary

Salem Central High closed its football season Saturday night with a 7-0 victory over St. Mary of Burlington at Burlington and called it a success.

Coach Dorm Grams' Falcons, who lost several close games this season, finished with two victories, one an upset 13-6 over the highly ranked Watertown, and then the victory at Burlington, which gave the Falcons 3 victories and six losses.

Central's touchdown came in the first quarter when fullback Rick Thomas climaxed a 66-yard march by ramming through six yards for the TD. Ronnie Nelson added the extra point on a run.

Coach Grams says next season will be tougher for the Falcons. "We'll be young next year. We'll definitely have to embark on a building program," he explained.

"This year we were better than the records showed, and this was evidenced against Watertown week before last," he said.

The only regulars coming back next year are tackle Wayne Remus, center Dave Willems, fullback Rick Thomas, defensive halfback Jim Long and defensive tackle Dave Erickson.

Gone through graduation will be ends Dennis Flaschner, Rich Skora and Ray Lubkeman, 270-pound tackle John Lichtner, guards Vern Leipzig and Dave Poisl (the team captain), and backs Ronnie Nelson, Dick Weber, Jim Cameron and Art Perry. Defensive players like line-backer John Carmichael and half-back Jay Good also are getting ready to graduate.

Wins \$100 Jewel Co. Prize
Mrs. Paul Stearns of Antioch R. F.D. 1 won a \$100 charge account with a Chicago store for writing the best statement on "Why I Like Jewel Produce."

Pheasant Hunting Termed Fair, But Duck Hunting Poor

The pheasant hunting season opened at noon Monday with Antioch hunters getting a satisfactory number of birds, but not all of them got their limit.

Dry weather and thick growth of dry slough foliage gave the birds good hiding, and the dryness of the weather kept the dogs from getting the scent.

A little rain will help the season. James McMillen, Antioch's former mayor and one of the top sportsmen of the community, said that he never saw such an abundance of female pheasants this year in contrast to the shootable males. "It's just one of those situations," he explained.

Others explain that the increasing number of "widows" left each hunting season in the pheasant population, may account for the disproportion.

Most of the area around Antioch is leased for hunting by organizations far in advance of the hunting season.

The hunter who expects to go out and find a place to hunt on the day of the opening of the season is out of luck.

McMillen is much concerned over the lack of duck hunting. Whether the ducks have failed to come down from the north or have bypassed this area is not known. It won't be long until frozen lakes will make landing impossible.

Antioch Bankers Plan Lecture Series for High School Seniors

The business education department of Antioch Township High School in cooperation with a committee of local businessmen, is presenting a series of informative lectures concerning the American Bank, its services, and methods of finance.

The lectures will be given once each week starting Tuesday, Nov. 12 and will span a period of 19 weeks. All seniors in the high school will participate in the program.

The purpose of the program is to develop a better understanding of banking and finance in order that the student becomes a more intelligent user of bank services and finance. William E. Brook, Atty. Ted Larson, and Jack Fields will handle the lectures. Each lecture will end with an open question period in which the students will be able to present problems which they have or might have.

The program was developed by the above committee with the cooperation of W. A. Lear of the business education department and Principals A. L. Dittman and Warren Polley. The following topics will be included in the series:

An Introduction to Banking, Organization of a Bank, Types of Deposits, Automobile Financing, History of Banking (Ancient), Clearings and Transit, History of Banking (American), Financing the Farmer and the Small Businessman, Real Estate Loans (1), Small Loans and Installment Loan, The Bank's Statement of Condition, Real Estate Loans (2), Safe Deposit Departments, Comparison of Banks and Similar Institutions, The Federal Deposit Insurance Corporation, The State Banking System, The Dual System, Bank Audits, The Bank in Relation to its Community, Bank Earnings, Derivation, Careers in Banking, and The Bank of the Future.

Bairdston Announces He Will Run Again

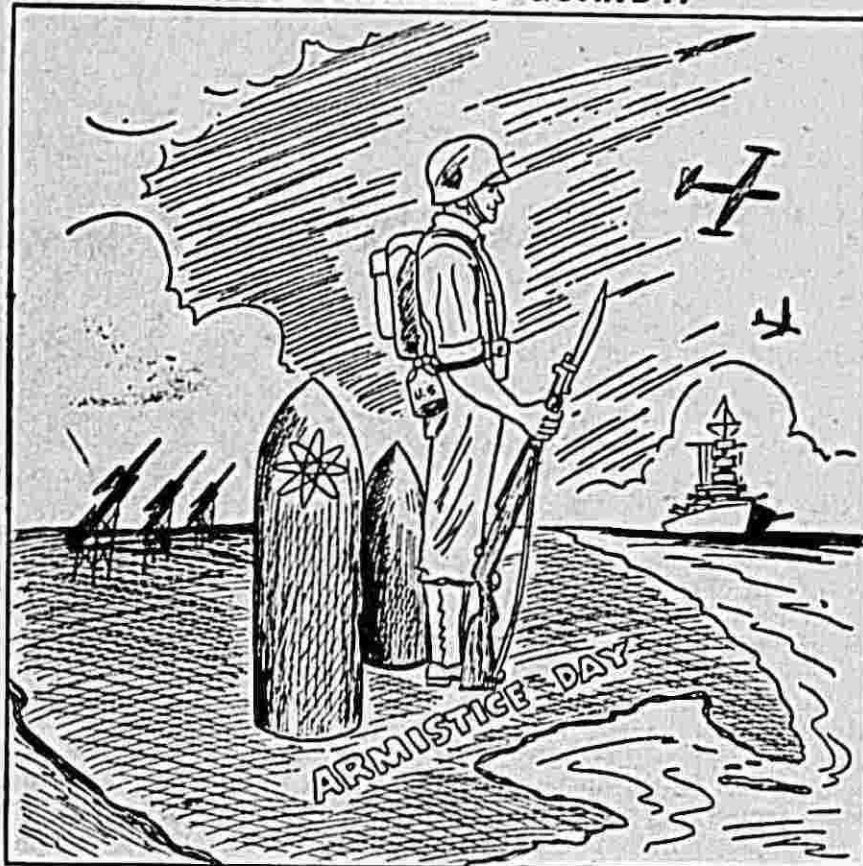

State Representative Jack Bairdston, Democrat, at the Douglas dinner Saturday night, announced that he was a candidate for reelection. The announcement aroused enthusiasm among the large number of committeemen and party leaders in attendance to honor Senator Paul H. Douglas.

Bairdston is completing his third term in the General Assembly. He has provided leadership for the Democrats on some prominent State issues. During the last session he was made a member of the powerful executive committee in the House of Representatives and was appointed as a member of the Judicial Advisory Council.

In announcing his candidacy, Bairdston said: "We have some unfinished business in Springfield."

There will be a business meeting Thursday, Nov. 21, at 8 p.m. in the Moose Home.

Antioch Legion Commander Calls for Legal National Holiday of Veterans Day in Speech

Lions Club Ends Plan To Sell Christmas Trees

The Antioch Lions Club dining at Smart's Country House Monday evening at a business meeting, gave up the plan to sell Christmas trees this year and will seek some other way of making money for its sponsored projects.

Principal A. L. Dittman of Antioch Township High School, and two members of the Board of Education, Robert Denman and Arthur Seekatz spoke on the Board's request for an educational tax increase of 15 cents on the \$100 assessed valuation.

The club was impressed with the need of the additional money to pay the cost of more teachers and other expense resulting from ever increasing enrollment, and seemed to favor the request.

The nominating committee made its report on candidates for office to be chosen.

Fire Damages Blaz Home at Loon Lake; Firemen Get 3 Calls

Fire believed to have started from a defective flue, damaged the Frank Blaz home in Long Beach subdivision on the north shore of Loon Lake at 3 p.m. Saturday.

A large hole was burned in the wall and ceiling of the kitchen.

Fire Chief Edgar Simonsen estimated the total loss at \$3,500 saying that the smoke damage was greater than the fire damage.

The firemen were called at noon Tuesday to the Leonard Case property at Channel Lake, where a grass fire spread to a pile of lumber and did \$25 damage. It was necessary to wait a minute after 12 noon to sound the alarm because the noon whistle was blowing when the alarm came in.

Firemen were called Wednesday afternoon to North ave. where residents mistook a trash fire for a fire in the building of the Antioch Sales pavilion.

To neighbors, the trash fire appeared as though flames were coming from the second floor of the barn. "It was best to make the report even as a mistake than to wait and be sorry," commented Chief Simonsen.

Bluff Lake Zoning Change Petitions Set For Monday, Dec. 2

Hearings on petitions for two zoning changes in the Bluff Lake area have been set for the afternoon of Monday, Dec. 2 in the Antioch Village hall by the Lake County Zoning Board.

Charles and Elsie Smith, represented by Atty Fred B. Meyer will appear before the Board at 1:30 p.m. asking for a change in zoning from R-4 (residential) to B-1 (business) eight lots in the Golf View Manor, Unit 3, of Lake Center Subdivision.

The land now occupied by the Smiths is non-conforming in its R-4 use for a bait shop, boat landings and the resort on the shore of Bluff Lake.

The other hearing is that of Eleanor Michell and Lula Willey as administrators of the late Eugene Herman, operator of Herman's Resort at Bluff Lake, asking reclassification of the property from R-4 (non-conforming) to B-2 which will permit a tavern or liquor store. The petitioners are represented by Atty Ted C. Larson.

Antioch Fire Dept. Elects New Officers; Names Line Officials

Retiring Clerk Shultis Says 79 Fire Calls During Past Year

Younger men moved up into more responsible positions at the annual election of officers of the Antioch Fire Department Tuesday.

Heading the organization as president is Llewellyn R. Van Patten, Jr., with his staff comprising Leo Keisler, vice president; Earl Pape, secretary, succeeding Clarence Shultis, retired; Irving Walsh, treasurer; Ray Toft, sergeant at arms; James Quadenfeld, delegate to the county convention; with incumbents Jack Vos and Leo Keisler.

Named to the ranks of the fire fighter staff were Charles Mapletorpe, replacing Clarence Shultis, retired, as deputy chief under Chief Edgar Simonsen; Vern Barnstable as assistant chief, succeeding Mapletorpe; Frank Willett and Llewellyn R. Van Patten, Jr., advanced to captain; and Russell Stowe and Otto Hanke, lieutenants.

In his final yearly report retiring Clerk Clarence Shultis announced that the department from Oct. 1, 1956 to Sept. 30, 1957, has answered 79 fire calls.

Twelve were in the village and 67 in the district outside the village.

Of the 12 village calls, eight were grass and rubbish fires, and four on property. The latter had a valuation of \$636,000 and the loss was \$715.

In the district there were 43 grass fires, 6 car fires, and 19 property fires where the loss was \$21,835 on a valuation of \$187,300.

Highlights of the year were the purchase of new uniforms for all active members, new American flag and department flag, new jeep truck; also the annual dance, and Ladies' Night dinner.

Absentee Ballots For H. S. Election Available Nov. 20

Lester Hamlin, President of the Antioch Township High School Board of Education, has announced that absentee ballots for the November 30 tax increase referendum will be available November 20 at the high school office. The deadline for absentee ballots requested by mail is November 25, and requested in person by November 27.

Hamlin urges citizens to take advantage of the opportunity to vote by absentee ballot if one cannot come to the polls November 30.

The polls will be open from 12 noon to 7 p.m.

All District 117 citizens desiring to vote in the election shall sign an affidavit indicating that they are legal voters. Notaries will be present to speed the process, so there will not be any delay in voting.

The high school Board of Education is asking the citizens to increase the educational tax rate from .65 cents to .80 cents per \$100 of assessed valuation.

Board members have been very busy the past weeks discussing the referendum before local civic groups.

Antioch C. of C. Elects Officers at Meeting Wednesday Evening

The Antioch Chamber of Commerce Board of directors held a meeting Wednesday evening and elected the following officers for 1958. Bernard Osmond, president; Jay Jensen, vice president; Ralph Gresens, secretary, and Marian Pechousek, treasurer.

Officers will be installed at the annual party to be held in January. The board also voted to join the Lake County Civic League.

The next Chamber of Commerce meeting will be held Dec. 2.

Return From Springfield

Mayor Murrill Cunningham, John Blackman, George Garland, Herman Holbek, Ernest Glenn, Walter Scott and Attorney E. C. Jacobs returned Wednesday from Springfield where they attended the Illinois Municipal Leagues meeting Sunday, Monday and Tuesday.

They reported a large attendance but a poor meeting.

New Building Ready
M. W. Heath and Son Construction Co. expects to occupy its new office and work-storage shop on Broadway north of the Shell station Monday.

Economic Highlights

The U. S. dollar "now ranks as one of the 'oldest' moneys in the world." Thus writes John A. Conway in the August 26 issue of Newsweek, in a feature article on global money trends and problems. His surprising statement is based on the fact that the dollar was last officially devalued in 1934, with the raising of the fixed price of gold. Most other currencies have been devalued much more recently. One expert estimates that the average "age" of all currencies (that is, since they were last devalued) is a mere seven and a half years.

Mr. Conway's article was inspired by the latest devaluation of the franc—the 11th time that has been done in 21 years. In this case, the actual word devaluation was not applied to the act, but the result buys 420 francs instead of the previous 350. This is the same. At the official rate, the U. S. dollar now amounted to recognition by the French government of a fact of life—on the free market, the dollar had been buying many more francs than was officially allowable.

"To the layman," says Mr. Conway, "devaluation may seem like an international numbers game, but it has deadly serious consequences." Imports become more expensive. Price inflation advances at home. Foreign exchange may disappear—which amounts to something like international bankruptcy for the nation concerned. And that is not all. For Mr. Conway adds, "Currency controls, of course, are only the beginning." They are supplemented with various other devices—import controls, export licenses, and multiple exchange rates. He points out that, due to this last stratagem, Brazil's cruzeiro has something like 120 different exchange rates. When such conditions obtain, "The result is a world-trade nightmare."

France's latest devaluation has, inevitably, caused repercussions far from its borders. There is more and more talk of devaluation in England. Germany favored the French move, with the reservation that it did not go far enough. In the view of the German finance minister, bringing order out of the international currency muddle can be accomplished only

by bringing about the full convertibility of all currencies. In other words, currencies would find their own levels in a world free market, as used to be the case long ago.

Writing in the same issue of Newsweek, Henry Hazlitt also deals with the world money situation. In his view, "The new camouflaged devaluation of the French franc . . . is one more dramatic exposure of the bankruptcy of the whole postwar international currency scheme. . . . Currency manipulations, he goes on to show, have been a prime cause of the world wide inflationary trend—a trend which has actually reduced the purchasing power of a number of currencies by 93 to 99 per cent. He concludes: "There is no substitute for sound internal policies in each country. The only real cure for the present world inflation would be a return to the full international gold standard and the disciplines and restraints which maintain that standard."

Grassroots Opinion

CHICO, CALIF., ENTERPRISE-RECORD: "Anti-trust laws at the present time do not cover labor unions. But if matters take their possible course in the labor field, it may be necessary for Congress to give serious consideration to putting unions under the anti-trust statutes. From the nation's standpoint, the prospect of . . . a union transportation monopoly is fearsome enough in its basic features. But it is made far more unwholesome by the character of the unions and the leadership involved."

LOGANSPOUT, LA., PROGRESS: "Get your hands on the August issue of The Ladies Home Journal, a publication which we confess we usually leave to the fair sex. However, in the August issue of that publication is an article by Dorothy Thompson, under the title, 'Must Our Schools Be Castles'—if we remember exactly. At any rate, there's food for thought therein."

SOMERSET, KY., JOURNAL: "The possibility of using disguised highway patrol cars is currently being considered in many areas. . . . Such an idea has often been discussed, always with a wave of public indignation that the use of unmarked cars is unfair. Their use, certainly, is drastic action, but we do believe that it would be entirely justified in light of the terrible slaughter taking place on the nation's highways."

RUNGE, TEXAS, NEWS: "Today's cheerful thought: It's a small world, and getting smaller all the time. Maybe it will soon disappear."

FAIRPORT, N. Y., HERALD-MAIL: "Ordinarily neighbors are reluctant to protest or 'make trouble' for their friends next door. They feel that complaining about a dog's behavior is only one notch lower than spanking a neighbor's child. . . . In consequence, they have continued to suffer in silence while dogs destroyed their property, frightened their children or noisily disturbed their slumbers."

been received by the squad for its services.

The following contributors to the Lake Villa Rescue Squad fund completes the list:

Harry Weber, John Iverson, Deep Lake Ladies' Auxiliary, Ed Babka, Edmund Johnson, Earl Hucker, James Foster, Leonard Carter, Louis Koppen, Sr., White Feather Indian Club.

E. B. Fanning, Henry Schroeder, Mrs. M. Meyer, Venetian Village Men's Club, Mrs. Russell Wilson, Harold Pullen, Mr. G. Carleton, T. J. Tronson, Arthur Storch, Albert Boehm.

Albert R. Evans, William Constantine, Mrs. Martha Daube, Carl Ekdahl, M. Bartek, J. B. Stancilffe, Mrs. Ann Rose Richter, East Shore Crooked Lake Assn., Chas. Wullenbacher, Oscar M. Lumby.

Mrs. Louis Schwicht, Erwin Barnstable, Jr., Buena Park Assn., Leo Sheldon, W. Rademacker, Mr. and Mrs. John Perry, Gordon Blumenschein, Michalis Bakalis, Evelyn and Ed Wagner, Leonard Kanka, Miss Floretta DuFeu, Carl Wuster, and Frank Jacobs.

Save With Custom Work

Since farm equipment costs have risen in recent years, many farmers should consider hiring custom operators for some jobs—especially if machinery is used only a few days a year.

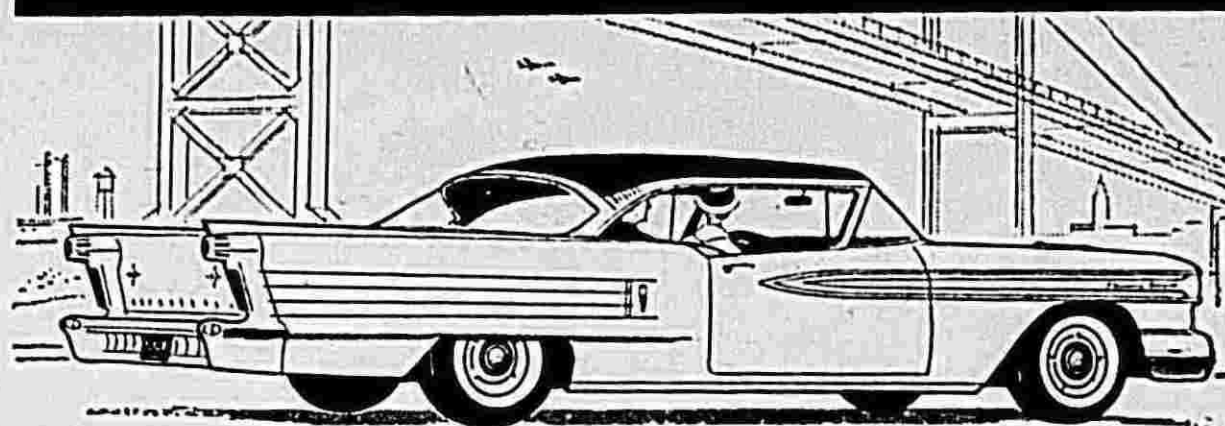

Overhead costs can be figured at about 15 per cent per year of the cost of new equipment, according to an article in the November issue of Successful Farming magazine.

insurance, taxes, depreciation, and interest on the money invested continue about the same regardless of how much one uses a piece of farm equipment.

These costs are about \$150 a year for each \$1,000 invested. So, if a farmer can hire his combining done for \$450, it probably would be smarter than buying a \$3,000 machine to do the work, the magazine says.

Other advantages of custom work include the possibility of being able to use newer equipment, more skillful operators, and bigger equipment that gets the job done faster. Disadvantages are that noxious weed seed may come in with custom machines and you cannot get the job done when you want it done.

Lake Villa R-Squad Given \$3,450, Plus U.S. Navy Ambulance

The Lake Villa Rescue Squad Fund Committee has closed its books for the 1957 fund drive with a total collected of \$3,450.00.

The grant of the ambulance was made through the help of the Boy Scouts of America, North Shore Area Council, who recognized the need for such a vehicle in this area.

The Lake Villa Rescue Squad is cooperating with the Boy Scouts by teaching Scouts first aid and rescue work in the interest of civil defense and disaster emergency.

The funds collected enabled the Rescue Squad to refurbish and completely equip the ambulance, to pay operating costs for the operation of two emergency vehicles and start a building program to house the vehicles in a combination garage and Lake Villa Town Hall on land belonging to the Town of Lake Villa as recently voted by the Town Board.

The Swan Song of the Fund Committee consisting of Messrs. Matt Lau, Harold Bestorp and Henry Ploss is to thank all donors to this worthy cause and trust that their

support will continue. Newcomers to the Lake Villa Township area are especially advised to help continue this free mercy service by their voluntary contributions during the coming year. B. J. Hooper serves as treasurer.

The Lake Villa Community Men's club is the sponsoring organization and is particularly proud of the fine record made by the Lake Villa Rescue Squad.

Emergency first aid calls are made to Elliot 6-7311.

Schedule for Season

The schedule for the Varsity and Frosh-Soph basketball teams this season follows:

Saturday, Nov. 16—Libertyville, here.

Friday, Nov. 22—Dundee there.

Wednesday, Nov. 27—Richmond there.

Saturday-Thursday, Nov. 30 and Dec. 5—Lake County Frosh-Soph tournament at Waukegan.

Friday, Dec. 6—Conference opening—Grayslake here.

Friday, Dec. 13—Ela-Vernon there.

Saturday, Dec. 14—Round Lake there.

Friday, Dec. 20—Grant here.

Thursday, Monday, Dec. 28-30, Grant varsity holiday tournament at Ingleside.

Friday, Jan. 3—Varsity tournament at Batavia.

Saturday, Jan. 4—Varsity tournament at Antioch.

Friday, Jan. 10—Wauconda there.

Saturday, Jan. 11—Mooseheart here.

Friday, Jan. 17—Lake Forest here.

Saturday, Jan. 18—Zion here.

Friday, Jan. 24—Warren there.

Friday, Jan. 31—Ela-Vernon there.

Saturday, Feb. 1—Round Lake here.

Friday, Feb. 7—Grayslake there.

Saturday, Feb. 8—McHenry there.

Tuesday, Feb. 11—Grant there.

Friday, Feb. 14—Wauconda here.

Friday, Feb. 21—Lake Forest there.

Friday, Feb. 28—Warren here.

The preliminary game by the underclassmen will start at 7 p. m. and the varsity game will start 20 minutes after the completion of the preliminary game.

30-Year Anniversary

Donald Purdy, R. R. 4, Box 78, marked 30 years with Public Service Company on November 1. He is a lineman in the utility's overhead department at Northbrook.

Donald Purdy

A graduate of Evanston High School, Purdy was a resident of Evanston until moving to Antioch four years ago. His hobbies are boating on Chain-of-Lakes, skiing, swimming, and moving picture photography.

Purdy and his wife, Evelyn, have a son, Donald, who resides at El Cajon, California.

Gems of Thought

"BEAUTY OF THE GOOD"

Don't waste yourself in rejection, nor bark against the bad, but chant the beauty of the good.—Emerson.

The man who tries to work for the good, believing in its eventual victory, while he may suffer setback and even disaster, will never know defeat. The only deadly sin I know is cynicism.—Henry L. Stimpson.

It is a sad thing to begin life with low conceptions of it.—T. T. Munger. I say frankly that above all I would rear children who have zest for life, who will see the world as interesting, dramatic and good.

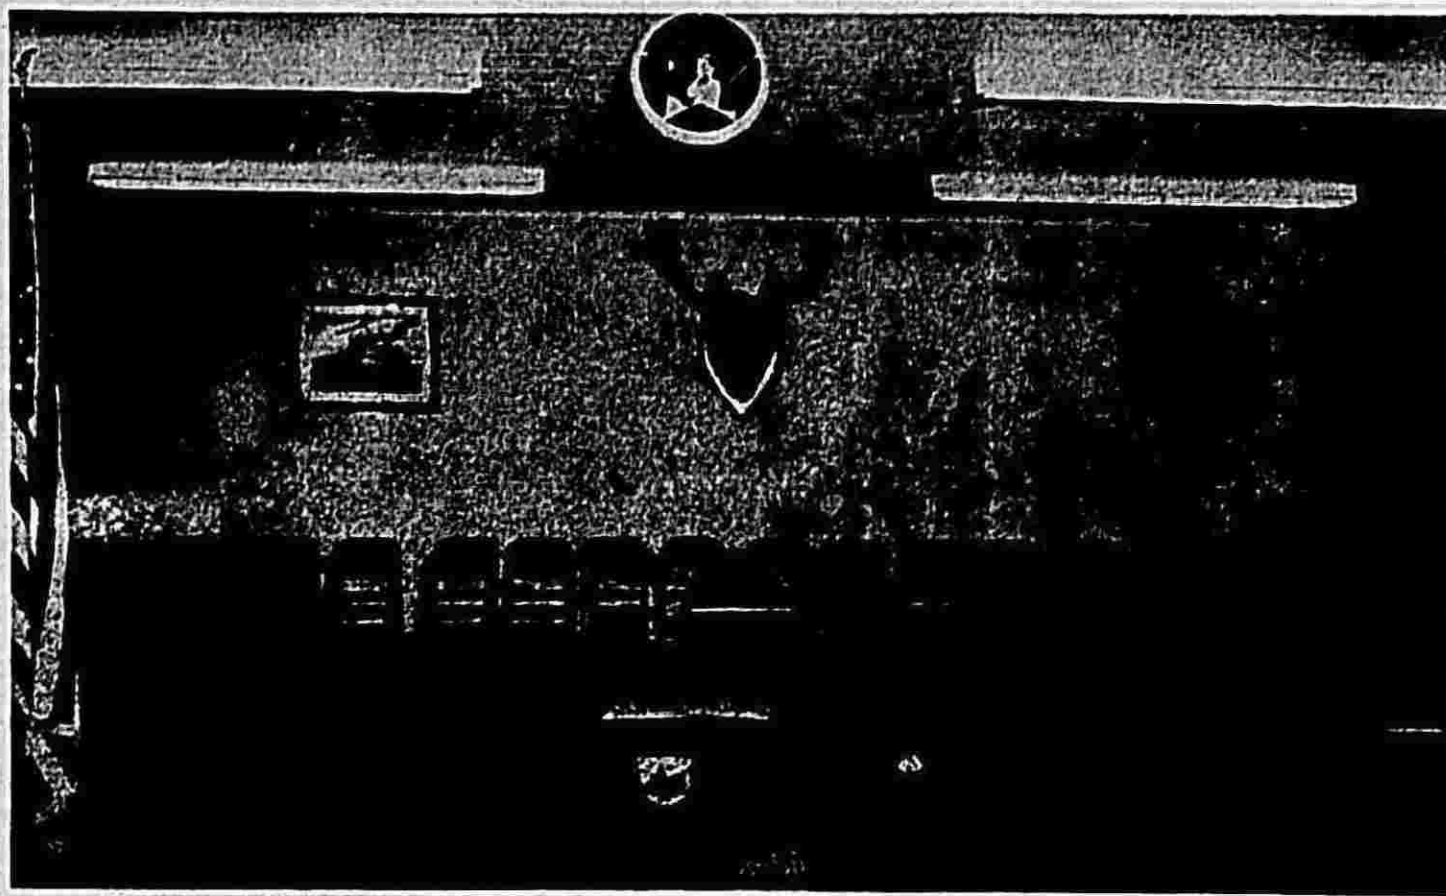

—Leslie Hohnman

It seems to me we can never give up longing and wishing while we are thoroughly alive. There are certain things we feel to be beautiful and good, and we must hunger after them.—George Eliot.

God is good, and good is the reward of all who diligently seek God.—Mary Baker Eddy

National Review says: "Sales were up in the first quarter of 1957, but profit margins lower as stiff competition kept prices down while manufacturing and distribution costs rose with almost automatic wage increases."

New Lodge Room of the Antioch Loyal Order of Moose on Main St.

Visitors recently had opportunity to see this new lodge room of the Antioch Loyal Order of Moose on the occasion of open house. Besides this spacious lodge room, the organization has a room of equal size for its club room.

BOWLING

Tavern League

Monday, Nov. 11

Kemp's Resort had high team

series of 792-914-894—2802 total.

Bernie Puig was high individual scorer with games of 212-232-178—622 total.

Coles Resort won two games from Old Style.

Slide Inn won two from Pasa-

son's.

Recreation won two from Tarfu. Joe and Helen's took two games from Kapella's.

Kemp's took two from Bud's.

Red Arrow won two from Thompson's.

"EXODOS"

Turning leaves and fading flowers—
Sad banners of those wondrous hours
When Summer held her glorious sway
And Nature's minstrels sang their lay
Of Life and Love and Lifting
Laughter—
O why must Winter follow after!

For her alone, the Sun's glad smile
Brings buds to bloom for a little while.
The zephyrs whispering thru the leaves,
Bespeak the dusky, haunting eyes
When Luna, mystic queen of Light,
Turns golden day to silvery night.

Then Summer bids a sad Good-bye—
The flowers fade—the green leaves die!
The Sun's warm smile grows distant—cold,
The earth turns sear and dull and old!
The minstrelsies are hushed and still
And Boreas howls the void to fill!

But Summer will return anon
When Winter with his snows is gone.

'Tis best—this cycle of refrains—
Since God, omniscient, so ordains.
But how for warmer climes atone
Where Summer reigns supreme—
alone!

Yet leaves and flowers still hold
the bliss—
The lingering flush of Summer's kiss.

So we, in memory can retain
Her beauty 'till she comes again
In splendor drawn from God above
Reflected glory of His Love!
Perl Kapsa

Custable in Korea

Army PFC Roger J. Custable, son of Mr. and Mrs. Carmen F. Custable, Route 4, Antioch, Ill., is a member of the 1st Cavalry Division in Korea.

The division, previously in Japan, has absorbed all units of the 24th Infantry Division in Korea, since the latter's recent deactivation.

Custable, formerly a member of the 24th is a clerk in Company G of the division's 19th Infantry.

The 22-year-old soldier was graduated from Harrison High School, Chicago, in 1956.

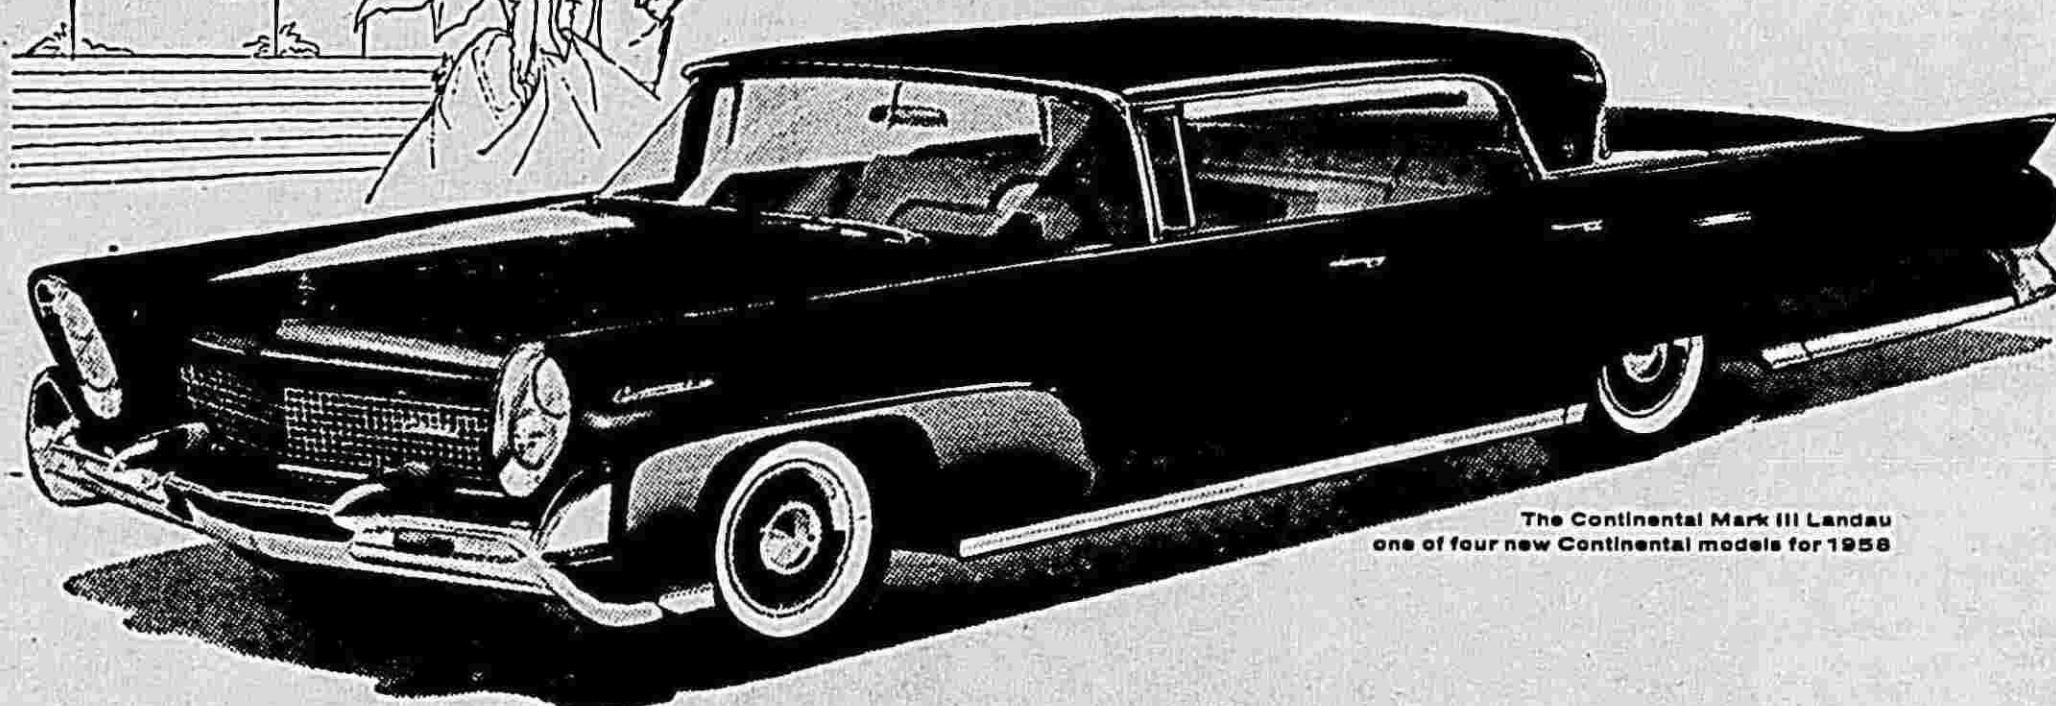

The coal reserves of the United States are the richest of any nation. They amount to 34 per cent of the world's known reserves, and include the largest and finest deposits of high grade metallurgical coal used in steel making and chemistry.

Since 1950, according to J. Edgar Hoover of the FBI, the crime rate has increased four times as fast as the population. He finds the increase in juvenile crime especially alarming.

One of the most colorful enterprises in American history, the Pony Express, existed for only 18 months—from April 3, 1860, to October, 1861. The War between the states ended it.

NOW ON DISPLAY

The Continental Mark III Landau
one of four new Continental models for 1958

We invite you to see—to drive—the only completely new cars in the fine car field...

Look again. You can afford to. For in 1958, the classic Continental Mark III (above) and the Continental-inspired Lincoln Premiere and Capri (below) are priced within the reach of nearly everyone who is considering a fine car.

The reason? This is the year we have opened a modern new plant to build Lincolns and only Lincolns. Now, not only can more Lincolns be made with the scrupulous Continental eye toward elegance and detail, but they can be priced within the means of everyone with a feeling for gracious living.

Behind the wheel lies a thrill of performance and handling ease that once came alive only in the hand-built Continental of yesterday. Under that long, low hood, a new engine designed for closer tolerances and more torque than any

other fine car. A new transmission with silken sensitivity. And between you and the road, a new suspension that dampens shock and noise like no other car before it.

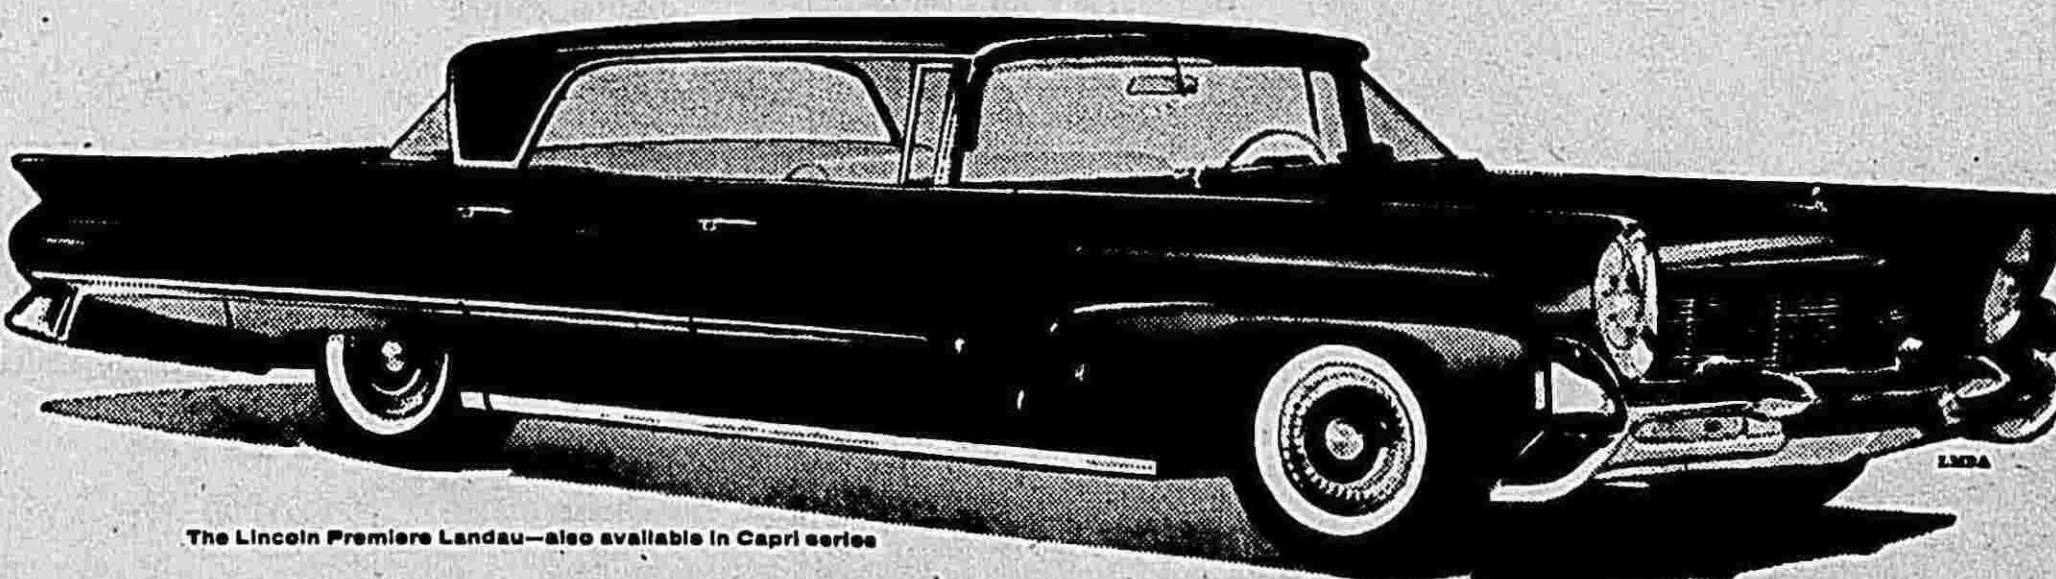

In every respect, here is an uncommon car with uncommon elegance. A Lincoln with the clean line and sweep of the classic Continental. A Lincoln with a length, breadth and spaciousness unmatched in the fine car field. A Lincoln with a richness of detail and over-all luxury that mark it, at once, America's outstanding automotive achievement.

Make your fine car dreams come true. Today, see how easily you can own the completely new Continental Mark III or the Continental-inspired Lincolns for 1958.

Unmistakably... the finest in the fine car field

SOCIETY EVENTS

Kenosha Co. Historical Society Holds Banquet On October 28

One hundred twenty-five members attended the Kenosha County Historical Society banquet held at Salem Central High School on the evening of October 28.

President William Bullamore extended greetings to the group and introduced the following:

Principal A. H. Erickson (Salem) who extended a cordial welcome to the Society.

Miss Carrie Cropley (Kenosha), Curator, who gave a short talk on various contributions recently received by the Museum.

Miss Signe Corneliussen (Kenosha), Director of Curriculum in Kenosha Public Schools for many years.

Mrs. Maude Murdoch (Bristol) who delivered the main speech of the evening, "Anecdotes from Early Kenosha County."

Mr. E. N. Brice, head of the History Department, and Miss Irene Bosman, teacher-librarian, of Central High School were also in attendance at the banquet. Central High School Library benefits by its membership in the organization and will work in close co-operation with the Society. The library is on the mailing list and receives the monthly bulletin which is issued by the Kenosha County Historical Society.

At the close of the program, members of the organization visited the high school library and were interested in the exhibit of books, pamphlets, and historical documents relating to the history of Kenosha county.

The Kenosha County Historical Society and Museum maintains its headquarters at the Kenosha County Court. The public is cordially invited.

Sonya Pickus to Play In Chicago Concert

Sonya Pickus, daughter of Mr. and Mrs. Morris L. Pickus of Antioch, will participate in the fall concert given by the Youth Orchestra of Greater Chicago at Orchestra Hall in Chicago, Friday evening, Nov. 29.

The orchestra is composed of students from high schools in the Chicago area. This year it will be directed by Dr. Desire Defauw, who has conducted many major American Symphony orchestras including the Boston Symphony, the Detroit Symphony, and the Chicago Symphony. Dudley Powers is the assistant director.

The orchestra will play compositions by Beethoven and Schubert.

P.T.A. TO SERVE SPAGHETTI DINNER

Antioch Parent Teacher Association will serve a spaghetti dinner Saturday, Nov. 23 at the school. Serving will be from 5 to 7 p. m. Mrs. Richard Stroner is general chairman of the affair. The association's next regular meeting will be held Nov. 18, with open house for National Education week. Fathers have a special invitation and for the room count, each father will count two points. Room mothers for 6th grade serving are Mesdames Glenn Nettles and Charles Miller.

W. S. C. S. TO HOLD MEETING NOV. 20

A regular meeting of the afternoon circles of the Women's Society of Christian Service will be held at Wesley Hall Wednesday afternoon. Mrs. Clara Westlake will lead the devotions. The program will consist of special music and Mrs. A. B. Wagner of Zion will speak on Youth Progress. Mrs. S. B. Nelson is Circle chairman.

Attend Memorial Service

Mr. and Mrs. E. W. Kufalk attended a Memorial service for Mrs. Kufalk's father, E. C. Meyer, held at Healy Chapel, Aurora. They later attended funeral services held at Lexington. Mr. Meyer passed away Saturday at Aurora.

Blesses Gifts to St. Ignatius Episcopal Church

The Rev. Edmond E. Hood, rector of St. Ignatius Episcopal Church is shown as he blessed gifts and memorials to the parish Saturday evening. Five new sets of Eucharistic vestments, a processional cross, water bucket and sprinkler received the blessing. Assisting him are, left, Richard Landau, and right, Roger VanPatten.

State Officer Visits Antioch Rainbow Assembly

Barbara Dunlap, Jacksonville, Ill., grand worthy advisor of the Order of Rainbow for Girls (center) is welcomed by, left, Donna Gibbs, worthy advisor of the Antioch assembly, and Mrs. Dorothy Form, right, mother advisor, on the occasion of her recent visit to the local assembly.

GREEN THUMBERS PLAN CHRISTMAS PARTY

The Garden section of the Antioch Woman's club was entertained Monday afternoon at the home of Mrs. Clarence Spiering. Mrs. Spiering was assisted by Mrs. Frank Vance and Mrs. Dudley Kennedy. Sixteen members and two guests were present. Mrs. Vance was speaker of the afternoon, and demonstrated the making of Christmas winter scenes and also table decorations. A Christmas program was planned for the December meeting of the Green Thumbers. The meeting will be held in the home of Mrs. Fred Oschmann.

WOMAN'S CLUB TO HOLD MEETING MONDAY

A meeting of the Antioch Woman's club will be held Monday, Nov. 18 at 1:30 p. m. at the Scout House. A program, "The Humorous Characterizations of Dorothy Christman" will be given. The hostess Committee are Mesdames John Horan, Fred Oschmann, Joseph Patrovsky, Jr., Warren Polley, Roy Turovaara, Arthur Laursen, Myrus Nelson, and Morgan Warffuel.

Enlists in Marine Corps

Albert R. Rockers, son of Mr. and Mrs. Preston J. Rockers, Sr., Channel Lake, enlisted in the 43rd Marine Corps Reserve. He left Tuesday, November 5th by plane for the U.S.M.C.R. Depot, San Diego, Calif. He graduated from Antioch High School in 1956 and at the time of his enlistment he was employed as an installer for the Illinois Bell Telephone Co.

Ensign and Mrs. Charles Guthrie and Mr. and Mrs. E. W. Kufalk and daughter, were dinner guests of Mr. and Mrs. Arthur Melosi at the Ruralite, Friday evening. Ens. and Mrs. Guthrie recently returned to Antioch from Utica, N. Y.

Misses Belle and Martha Hughes of Waukegan were guests of Misses Deedie and Mary Tiffany, Monday. Miss Belle Hughes remained for a few days' visit.

Mr. and Mrs. H. E. Shepard returned home Friday after spending ten days visiting at Fulton, Rolla, and Kansas City, Missouri.

MRS. KASEL TO UNDERGO PLASTIC SURGERY

Mrs. Helen Kasel of Rte. 1, Lake Villa, was taken to the Presbyterian hospital, Chicago, Wednesday, where she will undergo plastic surgery on her face, due to injuries she suffered in an automobile accident last July. . . .

To Marry on Dec. 15

Miss Carol Bean

Mrs. Lora Bean of Geneseo, Ill., announces the engagement of her daughter, Miss Carol Bean of Antioch, to Mr. Charles P. Maplethorpe also of Antioch. The ceremony is being planned for Sunday, Dec. 15, at the Antioch Methodist Church.

Miss Bean is employed as Dean of Girls and Spanish teacher at Antioch High School, and Mr. Maplethorpe is Superintendent of the Water Department, and Deputy Chief of the Antioch Fire Department.

Attend Massey-Harris Sales Meeting

Alfred and Robert Pederson of Pederson Brothers Implement Co. on Rte. 173 east of Rte. 45, are shown as they appeared at a recent sales meeting of Massey-Harris Co. at Columbus, Ohio. More than 1,600 dealers attended the sales meeting in which it was announced that some of the Massey-Harris implements will hereafter bear the name of Massey-Ferguson, the result of the acquisition of another firm.

Auxiliary News

Antioch Unit, American Legion Auxiliary held a regular business meeting Friday evening, Nov. 8. Much business was transacted and reports by various chairmen were given.

Americanism Essay Contest Americanism chairman Del Jahnke reported having contacted several schools and each one will participate in the Americanism Essay contest being conducted by the Auxiliary.

Rehabilitation Dorothy Horan, rehabilitation chairman, reported Antioch Unit to assist with a party for patients at Downey hospital on Tuesday, Nov. 12.

Christmas Bus Trip Antioch Unit voted to combine bus fare with Winthrop Harbor Unit to take patients from Downey on a trip around the surrounding territory to view the Christmas decorations. This trip will be taken during the holiday season.

Auxiliary Loan chairman, Maud Johnson, gave a report and the Unit voted a donation to the fund. This fund is held in reserve so that any child of a veteran may borrow

A Court of Honor Tuesday evening at the Scout House saw many Antioch Cub Scouts receiving awards.

The All-American award went to Donald Blackman, troop 92, and Lee La Flam, troop 91, all American campers for 1957.

Jim Gibson won a wrist watch as first prize and Ron Taylor a lantern as second prize for obtaining the most new members in the Scout Roundup.

Other awards were: Tenderfoot—Chuck Greniger, Eugene Molar, Elroy Molar, Ken Larson, Don Eppers, Joe Wolf, Clem Haley, Jim Barnstable, Bob Cunningham, Ron Hellstrum.

Second class—Brian Crawley and Don Blackman.

First class—Brian Cranley, Jim Berg, Don Verkest, and James Gibson.

Merit badges—Jerry Jacobs, soil and water; swimming, Indian lore; James Gibson, swimming; Donald Olsen, swimming, bird study and gardening; Albert (Bud) Dittman, music and swimming; Stephen Delany, Bruce Wollpert, and Don Verkest, all swimming.

Den chief training will be given at Fort Sheridan Saturday.

Two Leaders Training Classes came to a close with 22 new Scout Leaders for Lakeside Council Troops.

Mrs. Lloyd Cowell, Round Lake, trainer for the evening classes at the Village Hall in Lake Villa, held an Investiture Ceremony for the last training meeting last Thursday.

Mrs. Eugene Erickson, Round Lake, council president, pinned and welcomed the new leaders to Scouting. The new leaders invested were Miss Barbara Mahler Intermediate, Mrs. Joseph Messick, Brownies, Mrs. Charles Liles Int. from Round Lake, Mrs. Gurnie Cline Brn, Mrs. Allen Flood Brn, Mrs. Arnold Gustafson Int. from Lake Villa, Mrs. Flavin Sebesta Int. Mrs. Edward Corrigan Int. Mrs. Harold Whitlock Int. Mrs. Eugene Miller Int. all from Ingleside, Mrs. Thomas Kuchler Int. from Antioch, and Mrs. Frank Foley Senior from Gages Lake.

The morning classes, held at the Presbyterian Church in Gages Lake with Mrs. John Hawse as trainer, held their Investiture Ceremony at a cook-out Wednesday, Nov. 13. The new leaders invested are, Mrs. Raymond Clark, Brn, Mrs. Richard Brady, Brn, Mrs. Thomas Snyder, Brn, Mrs. Joseph Guldán, Brn, Mrs. Dale Suchy, Brn, Mrs. Wilbur Reynolds, Int., Mrs. Martin Vehlow,

Brn, all of Gages Lake; Mrs. Harry Lindhorst, Int., Mrs. Benedict Molis, Int., from Lake Villa, and Mrs. Victor Nix, Jr., Int., from Ingleside.

Four delegates from the Lakeside Council are spending this week at the National Convention in Philadelphia, Pa. They are Mrs. Joseph Sadlick, Fox Lake, Mrs. Chris Popoff, Mrs. W. F. Bruhn, and Mrs. Francis Illian, all from Wildwood, Gages Lake.

Troop No. 39 will hold its Investiture Ceremony at the Village hall in Lake Villa on Tuesday, Nov. 19, at 7:30 p. m. Nineteen girls will become Intermediate Scouts. Fly-ups from Brownie Troop No. 1 are Sherrill Chase, Linda Hartman, Kathy Holvay, Karen Jennrich, Virginia Kiesgen, Linda Ladewig, Linda McLeod, Sharon Slazes, Kathy Smith and Jodee Williamson. New girls are Norma Blumenschein, Tiffany Lynn, Linnea Christensen, Sara Janayne Cote, Janis Miklausch, Judy Miller, Bonnie Swoboda, Kathy Tully, Frances Willett, Susan Bushnell, Christine Emerson and Rosemary Dady.

Membership stars will be given for 1 year attendance in Scouting. Second class and Proficiency badges will be given the girls who have filled the requirements. A skit, "The Hungry Tribe" will be presented for the entertainment of the parents. Refreshments will be served.

Different Meanings to Shots

Two volleys of shots rang out Monday.

One was the military salute at Antioch cemetery to the memory of the war dead.

The other was the volley fired an hour later at noon at the opening of the pheasant hunting season. The hero veteran was remembered, and the living veteran had a good time on Veterans Day.

Antioch Librarian Tells Women of the Moose About Dewey System

Mrs. Calvin Harden, librarian of the Antioch Township Library, spoke on the Dewey Decimal System to 61 members of the Women of the Moose at their chapter night meeting on November 7 at the Moose Home. She was presented a book by Pat Kampf, library chairman, and her committee, for the library.

Mabel Thomas, Hazel Strume, Marge Fernstrom and Ethel Wolff from Lodge 1348, McHenry, Ill., and Imogene Ruckstuhl from Lodge 702, Crystal Lake, Ill., were guests at the meeting.

New members initiated into the Women of the Moose were: Lorraine Hall, sponsored by Richie Karrasch; Helen Gutowski, sponsored by Bernice Kolar; and Bernice Parker, sponsored by Imogene Case.

Refreshments were served by the library committee, consisting of Pat Kampf, chairman and Darlene Roblin, Blanche Horton, Violet Koppen, Alma Cole, Lucy Himens, Isabelle Grunow, Jean Irving, Vida Shunnesson, Florence Eppers, Helen Niesen, Helen Nelson, Helen Newhouse, Clara Petrunic, Veronica Prible, Mary Patton and Dorothy Stacks.

Harriet Grewe, Junior Graduate Regent, received her green beanie at the Convocation at Joliet, Ill., on Oct. 27. It was given as an honor when Harriet served as Senior Regent last year and her chapter made its award of achievement.

Publicity and Library committee, announced that their turkey dinner will be held on Sunday, Nov. 17, at the Moose Home from 4-8 p.m.

Ritual practice will be held Thursday night at 8 p.m. at the Moose Home and on Nov. 14 for chairmen, escorts, officers and appointed officers.

You don't have to live in town to enjoy the convenience (and savings) of a modern "Homeowners" package policy for all your home insurance needs. This typical home is located in Felter's Subdivision and the owner, Arthur Fritch, enjoys the benefits of complete home protection through one policy. If you are still purchasing your insurance piecemeal with three or four policies, call us for details on how you can combine these separate policies into one.

Mrs. Fannie Pitman, 86, Dies at Chetek, Wis.

Mrs. Fannie Emmons Pitman, 86, Chetek, Wisconsin, died Saturday, Nov. 9 at Chetek. Mrs. Pitman was born in Antioch and lived here until forty years ago when she moved to Chetek. She was the daughter of Mr. and Mrs. Dode Emmons, early settlers of Antioch township.

Survivors are a brother, Ben Emmons, and a sister, Florence Webber of Zion, and cousins in Antioch.

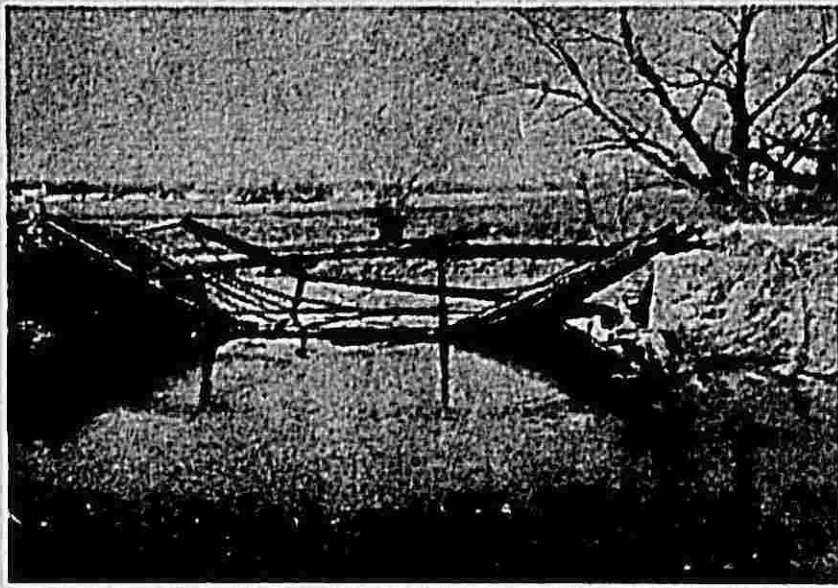

Funeral services were held Wednesday at Chetek.

Study Dope Through Radioactive Poppies

LOS ANGELES — Radioactive poppies are being grown at the University of California, in an effort to trace dope from its synthesis in the plant through its evil, and sometimes beneficent, pathway in the human body.

If the poppy uses one or more of the radioactive compounds in the synthesis of morphine, a main component of opium, the drug will become radioactive. Thus the radioactivity will help detail the manner in which morphine is formed.

Old Bridge Near Richmond Collapses

This 30-year-old iron and wood bridge on Fifteen Hill rd. off Rte. 12 southeast of Richmond is shown as it appeared after it collapsed under the weight of a ready-mix truck about two months ago. A gravel truck first dislodged the bridge and the cement truck finished it. The truck was across all but the rear wheels which dropped over the edge. Culverts covered with gravel now replace the bridge. The road commissioner had asked for a new bridge but the McHenry County Board had failed to act.

Coal Stockpile

America's industrial coal stockpile is the world's largest, totaling about 70 million tons, of which more than half is owned by electric utilities.

HOW TO FIGURE TAX INCREASE

Many voters who are not mathematicians minded and don't quite understand the voting that will take place Nov. 30 in Antioch Township High School District, may bear in mind this situation.

The high school board is asking a 15 cent tax increase. You look up your last tax receipt and learn what valuation the assessor placed on your property.

Then for every \$100 valuation your tax bill will be increased 15 cents.

Suppose your property was valued at \$5,500. You multiply that by .15 which would be \$8.25, the amount of increase you will pay for the school tax. (You point off four digits, two for the multiplier because of its fraction of \$1, and two for the multiplicand to reduce it to the number of \$100.)

GRASS LAKE CARD-BUNCO PARTY FRIDAY EVENING

The first ways and means project for the Grass Lake P.T.A. will be a card and bunco party at 8 p. m. Friday, Nov. 15 at the Grass Lake school.

Mrs. Jane Powell, chairman of the committee, announced prizes will be awarded.

At 8 p. m. Monday, the monthly meeting will be held at the school. Feature of this program and business meeting will be a Book Fair. The guest speaker in keeping with this subject will be Mrs. Calvin Harden, of the Antioch Township library.

Principal A. L. Dittman of Antioch Township High school and members of the Board will be present to explain the reasons for and needs of the high school as they relate to the Nov. 30 vote for an educational tax increase.

Rev. Edward Hawley Additional Speaker At Methodist Church

The Rev. Howard Benson, pastor of the Antioch Methodist church will continue a series of sermons begun last Sunday on the theme: "The Things That Make For Peace." Mr. Benson is approaching the theme from the need to understand today's world, namely, that a great part of this world is in the midst of a social revolution.

Morning Worship this Sunday will be led at 9:30 a. m. and 11 a. m. A nursery is provided. The church school for three year olds through adults meets at the 9:30 a. m. hour.

In conjunction with the morning sermons a series of important addresses by people with personal experience in their particular field will be presented each Tuesday evening through December 10. A potluck supper will be shared at 6:45 p. m. Tuesday, followed by an address by the Rev. Edward Hawley, pastor of the Warren Avenue Congregational church in Chicago. This church is located in one of the changing population areas of the city and is composed of both white and Negro members. Mr. Hawley's address on the theme "The Church and Race" follows the address of Mr. Frederick Pollard, Jr. of the Commission on Human Relations who spoke last Tuesday. Mr. Pollard stressed the need to treat people as individuals, and not prejudice them because of their race, color, or religion.

All persons in the community who are interested in the discussion of vital issues are invited to these Tuesday evening addresses. The Intermediate Methodist Youth Fellowship will meet at 7 p. m. Friday at the church. This group welcomes all seventh and eighth grade youths who are not members of another church in the community.

The High School M.Y.F. will meet for a light supper at 6:30 p. m. Sunday at the home of Alan and David Moorman on Ida street. The program will be led by Edward Raether and his committee.

Of the 95,000 accidental deaths in 1956, 28,000 occurred in the home—second only to the highway as No. 1 booby trap for Americans.

The honor roll is as follows: SENIORS—Joel Armstrong, Cathy Arndt, Nancy Bailitz, Dennis Beattie, James Berke, Joan Burton, Larry Dewar, Jerry Dittmer, Frank Fardon, Mary Forbrich, Rose Ellen Furlan.

Arthur Hanke, Roy Hartman, Dorothy Jach, Richard Jonas, Richard Kopecky, Elvin Meyer, David

Mitchell, Agnes Pleviak, Karen Herbst, Diane Jaros.

Gwen Royer, Tom Sanhamel, Nancy Wetterberg, Lois Wohlfell, Paula Zelen, and Judy Zelbor.

JUNIORS—Steve Aschenbrenner, Bryan Cain, Jack Dupre, Betty Freund, Jill Gaston, Mary Lou Geist, William Jarvis, Janet Keisler, Beverly Krakowski, Faye Mann, Diane Mantis.

James Oilschlager, Sonya Pickus, Carol Ann Ruhl, Tom Schissler, Forrest Stahmer, Ronald Stam, Carolyn Stoffel, Ray Toml, Robert White, Donna Winstead, Lois Wagner, and Barbara Yates.

SOPHOMORES — Sharon Berke, Norma Brown, Pat Brync, Sharon Dittman, Judy Fath, Trudy Good, Ronald Hansen, Helen Herman, Karen Horton, Marie Jasien.

Vivian Kandl, Henry Kubicki, Russell Lasco, Margie Lehmann, George Mantis, Robert Martin, Joanne Masek, Deanna Meierdick, Melody Midgley, Phillip Mitchell.

David Moorman, Nancy Nemece, William Nerud, Christine Olson, Elaine Ozga, Barbara Poulson, Jean Rentner, Dorothy Rybacki, Eleanor Schley, Nancy Scott.

SAVE EYE-STRAIN VIEWING T.V.

You depend on your eyes continually for safety. Be sure that you treat them right. When you watch television, prevent eye fatigue:

- ✓ Use a soft indirect light that doesn't reflect from the screen to your eyes. Never watch T.V. in a completely dark room.
- ✓ Be sure the set is in focus and properly adjusted, no vibrating or blurred motion or "snowy" screen.
- ✓ Rest eyes periodically while watching T.V. Always wear glasses if needed.

AMERICAN MUTUAL LIFE, INS. CO.

Service

IT WAS HIS FIRST STEP...

You'll always remember the first, faltering step. It was a milestone in his young life... and in yours. Good news to share with others. So you turned to the telephone.

The telephone—dependable servant at one moment, helping to get things done quickly and easily. A tireless messenger at another, carrying news to those who care. A family friend at all times, playing an important part in plans for the future.

And as your family grows in numbers and in years, so does your telephone grow in usefulness.

ILLINOIS BELL TELEPHONE
Naturally, you turn to your telephone

Keep Sunshine inside all winter long with Shell's "Certified Comfort" Heating Oil Service

Under our new plan your comfort is doubly guaranteed...

1. Shell certifies you get premium grade, better burning heating oil

Shell Research men spent many years developing this finer oil. Highly refined, it gives you more efficient heat—even cleans your fuel filter as it burns. Yet it costs no more than ordinary heating oils.

2. We certify you get Service you can count on...

We value your business—and our service proves it. We refill your tank automatically and protect it from internal corrosion with free SONITOR® applications. Courteous drivers leave a metered receipt showing every gallon delivered. You are comfortable—and carefree—when we serve you. Our service and premium grade oil give you modern heating at its very best.

START YOUR CERTIFIED COMFORT PROTECTION NOW—BEFORE COLD WEATHER HITS

Elderly Persons Need Only Reduce Their Food Intake

CHICAGO—Most aging persons do not need to alter their normal eating habits, except to decrease the amount they eat, a New York physician says.

Basically the nutritional requirements for the aged are the same as for younger adults. However, older persons need fewer calories to maintain their normal weight. Dr. Herbert Pollack said in the Journal of the American Medical Association. The article is one of a series prepared under the auspices of the A.M.A.'s committee on aging.

Dr. Pollack, associate professor of clinical medicine, New York University Postgraduate School of Medicine, said the "obesity of the elderly is not due to gourmandizing," but to eating the same amount of food they did in their younger years when their bodies needed more food.

The body needs a decreasing amount of oxygen as it ages. When this is coupled with a decreased over-all physical activity, it means that the body needs fewer calories to maintain the same weight.

Many religious rituals and certain food practices among groups of people indicate that they have long recognized the place of periodic fasting and limited diets in the prevention of overeating. Now scientific knowledge of nutrition and diet makes it possible to develop diets that are rich in the necessary nutrients but do not lead to overweight, Dr. Pollack pointed out.

Some More Prone to Electric Shock

CHICAGO — Alcoholics, persons with hardening of the arteries, those with disturbed thyroid and those with a greasy skin are most susceptible to electric shock.

This report was made by Dr. Kenneth Lewis at the Congress of the International College of Surgeons.

Dr. Lewis, clinical associate professor of otolaryngology (ear, nose and throat diseases) at the University of Illinois College of Medicine and attending plastic surgeon at the Cook County and other hospitals, has made a study of the effects of shocks by lightning and man-made electricity.

Aside from death, he said, passage of electricity through the body, might bring serious consequences, including damaging effects upon the heart and nervous system, stimulation of strong muscular contraction, inhibition of function of vital organs in the path of the current, thermal injuries with destruction of cells and vital tissues such as bone and extensive latent dying off of burnt tissue or cells.

Man-Made Islands Dot Gulf, Atlantic Coast

WASHINGTON — Man-made islands standing on long steel legs above the sea, like motionless herons, are appearing off United States shores in growing numbers.

An entire archipelago—some 600 oil-drilling platforms—sprouted off the Gulf coast of Texas and Louisiana in the last eight years.

These stations on sea stilts scarcely class as "land," although they certainly are surrounded by water. Made of steel and concrete, they rank as fixed, inhabited islands nonetheless—created by man rather than nature.

Scattered up to 27 miles out on the oil-rich coastal shelf of the Gulf of Mexico, spindly drilling derricks march from the Mississippi Delta to the Rio Grande. Some rest on permanent pilings driven into the bottom. Others are submersible barges, whose upper platform remains high above the water while the main hull sinks to become a solid foundation.

The fantastic Texas Towers, however, carry their own legs. They push them down to the sea floor, then jack themselves up above the highest waves like a boy skinnying up a pole. Already used for oil-well rigs and at Thule air base in Greenland as piers, they will take the form of huge triangular platforms, 200 feet on a side, for Atlantic radar sites.

Relic of Past

Though its relatives vanished from the earth a hundred million years ago, the lizardlike tuatara survives on islets of New Zealand. Eggs of the reptile take almost a year to hatch. The tuatara reaches a length of about two feet, and lives for many years.

Cancer Cause?

Automobile exhaust fumes may be a cause of lung cancer, according to a study conducted at the Illinois Institute of Technology. It has been found that gasoline engine exhaust extract has a marked tumor-inducing effect upon the skin of mice.

New Apartment Building To Be Ready by January 1

This six-apartment building on North Avenue is rapidly being completed by Ken Kirchmeyer, general contractor and owner, giving the village one of its first modern buildings of this nature. Each apartment will have three bedrooms and two baths and a private basement, and there will be a garage for each apartment. Russell Roepenack has the masonry contract, and Elmer Christophersen, the electric contract. The building will be ready for occupancy about January 1.

Not Required of Small Boats

The United States Coast Guard has announced that the required stern lights may be mounted off the centerline on outboard motorboats up to 26 feet in length where it is impractical to mount the light on the centerline.

This interpretive ruling by the

Coast Guard was published in the Federal Register on November 1, 1957.

The Antioch News and Lakes Theatre invite Max J. Heep, Trevor, Wis., and one to attend Friday, Saturday or Sunday showing of "Voodoo Woods" and "Pharaoh's Curse" at the Lakes Theatre.

Excessive speed is the most prevalent violation occurring in fatal accidents.

Motorists are driving safer this year than last, the National Safety Council says. In 1956, 40,000 persons died in auto accidents. This year, the toll may drop to 39,000.

Palm in Alaska
Fort Richardson, Alaska (AHT NC)—Army Pvt. Robert G. Palm, son of Mr. and Mrs. Henry R. Palm, Route 3, Antioch, recently arrived in Alaska and is now a welder with the U. S. Army Supply and Maintenance Center at Fort Richardson.

Palm entered the Army last March and was previously stationed at Aberdeen Proving Ground, Md. The 23-year-old soldier is a 1952 graduate of Antioch Township High School.

EDDIE the EDUCATOR says

School buildings cannot be stretched. New courses and more children mean more classrooms or limited education for children.

Illinois Education Association

I have set the Lord always before me: because He is at my right hand, I shall not be moved.—(Psalm 16, 8.)

God is always with us, His children. But our willfulness, our selfishness, our stubborn clinging to unworthy thoughts and habits, keep us from knowing His love, in which we will find the strength to surmount all life's trials.

AMERICA'S BIGGEST CAR VALUE—ON SALE TODAY!

NEW 1958 MERCURY

SHOWN (above) ARE COLON: PARK STATION WAGON, MONTEREY PHAETON COUPE; (center) THE MONTCLAIR PHAETON SEDAN.

Only car to bring you Sports-Car Spirit ... with Limousine Ride

Mercury introduces the year's biggest advance in car performance—a combination of the superb control and handling ease of a sports car—plus the room, ride, and comfort of a limousine.

4 SERIES OF MERCURYS TO CHOOSE FROM IN '58. PRICES START JUST ABOVE THE LOWEST. The Monterey series has 5 models within easy reach of buyers of low-priced cars. For only a few dollars more, Mercury's six Montclairs give you many additional luxury features. There's a choice of six station wagon models in 3 price ranges. For magnificence unlimited, there are 3 models in the entirely new Park Lane series. And, even here, prices are surprisingly modest.

ANNOUNCING AN ENTIRELY NEW FAMILY OF MARAUDER ENGINES WITH UNIQUE COOL-POWER DESIGN. The great engineering advances of "Cool-Power" Design include new In-block Combustion, Water-flow Intake Manifold, 3-stage Cooling, and Cool-head Valves. Power and fuel once lost to heat and friction are put to work for you. There are three new Marauder V-8's with 312, 330 and 360 hp. They are all teamed with a new high-economy rear axle to give you more power, more mileage from less fuel.

ADVANCED TREND-SETTING STYLING—WONDERFUL NEW DRIVING AIDS. Mercury continues its leadership—not only in styling, but in features. For example, new Super-Safe self-adjusting brakes. New Multi-Drive Merc-O-Matic in the Park Lane series. And you can get features like a Speed-limit Safety Monitor, automatic power lubrication, and many others. We invite you to attend the first showing.

Guido Lazzaro, 73, Dies In Florida

Guido Lazzaro, 73, Deep Lake, died Tuesday, Nov. 5, at St. Joseph's hospital, Tampa, Florida, following a lingering illness.

He was born March 31, 1884, in Bari, Italy. He came to America early in 1900, settling in Chicago, where he operated a store, moving to Petite Lake in 1940, where he ran a summer resort. He was a member of St. Peter's church and the Woodmen of the World.

He is survived by his wife, Godoliva.

Funeral services were held at 10 a. m. Monday at St. Peter's church. Burial was in Mt. Carmel.

Two Holstein Cattle On Ravensglan Farm Classified Excellent

Brattleboro, Vt.—Two registered Holsteins owned by Ravensglan Farm, Antioch, Ill., have been officially classified "Excellent" — the highest rating obtainable in the type classification program of the Holstein-Friesian Association of America.

This highly select designation is applied only to animals scoring 90 or more of the 100 points representing theoretical perfection in body conformation.

Of more than 30,000 registered Holsteins officially classified for type last year, only 305 were rated "Excellent."

During a recent classification of the Ravensglan Farm herd by J. A. Fairchild, Berwick, Pennsylvania, an official inspector on the staff of the national Holstein organization, Ravensglan Echo Triune 1226474 (male) scored 90 points, and Moelersons Ann Triune 3222136 (female) scored 90 points.

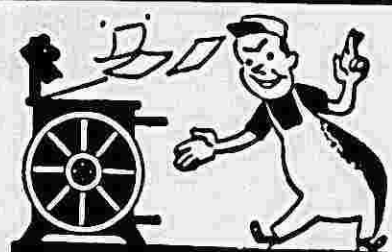

Dollar for dollar and man for man, the submarine is this country's most economical weapon. Comprising only 1.6 per cent of the Navy's World War II personnel, the submarine service accounted for 55 per cent of all enemy shipping destroyed.

Robert Fulton, inventor of the steamboat, was an avid submarine enthusiast. He built several submersible warships, one of which was known as the Nautilus.

Five Navy medical officers and 15 corpsmen from the aircraft carrier USS Lake Champlain operated in teams to care for the sick and to dispense medical supplies to the victims of Spain's worst flood in a half century, at Valencia, in mid-October.

If you travel 75 mph in your car and are in an accident, there's a one in eight chance you'll be killed. Slow down to 55 mph and your chances of being killed if a crash comes drop to one in 40.

The 64,500,000 registered vehicles in the United States traveled 630 billion miles in 1956.

It Happens Every Year

Mrs. Minnie L. Taylor Sister of Ada Overton Buried in Waukegan

Funeral services were held at the First Presbyterian church in Waukegan at 2 p. m. yesterday for Mrs. Minnie L. Taylor, sister of Mrs. Ada Overton of Antioch and Mrs. Pearl Dooze of Deerfield.

Mrs. Taylor, a prominent civic

and church leader, died Monday in Victory Memorial hospital after an illness of two months.

The service at the church was conducted by the Rev. Howard J. Wylie, and at the funeral home at 408 N. Sheridan road Tuesday evening by the Emblem Club of the Elks lodge.

Mrs. Taylor resided at 814 N. County st. in Waukegan.

A number of Antioch residents attended the funeral.

Cirrhosis Joins Top Death Causers

NEW YORK—Cirrhosis of the liver, long a fairly common chronic disease of adult life, now ranks among the 10 leading causes of death in the United States.

At ages 45-64, the only diseases which outrank cirrhosis of the liver as a cause of death are heart disease, cancer, and cerebral hemorrhage. In 1956, cirrhosis accounted for a total of about 18,000 deaths in the United States, about two-thirds of them among males.

Emergence of cirrhosis as a leading cause of death resulted chiefly from the marked reduction in mortality from the infectious diseases, although the increasing recorded death rate also may be due to improved methods of diagnosis and hence more frequent report of the disease on death certificates.

The Navy's first tractor train for Deepfreeze III, composed of nine 20-ton and three 10-ton sleds, seven D-8 caterpillar tractors and two weasles, three wigan living quarters, spare parts and some fuel, traveled 645 miles from Little America to Byrd Station carrying 300,000 lbs. of cargo.

A motorist is injured every 23 seconds. One person is the victim of a motor vehicle accident every 13 minutes.

SAVE YOURSELF FROM THESE 6 BIG HIGHWAY ACCIDENT KILLERS

Learn to avoid these causes of traffic deaths by reminding yourself of them, taking precautions that can save your life and perhaps others on the road.

VExceeding speed limit (by far the No. 1 killer).

VDriving in the middle or on the wrong side of the road.

VDriving with inconsideration for others.

VTaking the right of way that was not yours.

VDriving off the road.

VFailing to signal or giving the improper signal for turns, stops and the like.

© AMERICAN MUTUAL LIAB. INS. CO.

Marine Helicopter Squadron-262, operating from the aircraft carrier USS Lake Champlain, distributed 1,500 lbs. of medical supplies, 4,000 lbs. of meat, bread, "C" rations, dried milk and water purifier to the victims of Spain's worst flood in a half century, at Valencia, in mid-October.

This year's Antarctic tractor train departed from Little America for Byrd Station, 645 miles distant, on Oct. 1. The Navy believes this to be the first time in Antarctic history such an operation of this magnitude has been launched so early in the season.

Blue Moose took two from Rusty Four.

The Antlers won two from Miley Mites.

Moose Odds won two from Gutter Dusters.

Ten Pins won two from Moose Tales.

Until spectacles were introduced in the year 1300, the Murine company tells us, millions of nearsighted people had lived out their lives unable to see mountains, clouds or stars. The inventor of spectacles is not known. Bifocal spectacles were invented by Ben Franklin.

How To Prepare Your Car For Winter

You will be a lot safer this winter and save money, too, if you prepare properly for winter driving.

Example: In a recent year, winter driving accidents cost 16,150 lives; 560,000 personal injuries, and \$1,600,000,000 in damage. The majority of these accidents could have been prevented by correct preparation for winter driving conditions.

Getting ready for winter isn't cheap, but installation of new spark plugs, adjustment of points and timing, cleaning of your air cleaner, readjustment of the choke and changing to proper winter lubricants may increase your gas mileage as much as 20 per cent.

Here are five basic steps listed by Pure Oil experts:

1. **Winterizing**—Be certain the cooling system is clean and leak-tight. Flush the radiator and cooling system thoroughly. Make sure hose connections are tight, and put in a permanent anti-freeze.

Oil companies today make excellent all-weather lubricating oils. Even so, it's smart to drain out summer oil and get a fresh fill for winter. Change the oil filter before cold weather starts. Keep your car well lubricated

all winter. This will protect important chassis parts from corrosion.

2. **Exhaust**—A leak in your exhaust system or muffler can let fatal carbon monoxide fumes into your car.

3. **Electrical System**—Nothing is more frustrating than a dead battery. You may be lucky, but if your battery is more than two years old, the chances are one out of two that it will fail during the winter.

Make sure the generator and regulator are charging sufficiently. Have the ignition system checked—coil, condenser, points, timing, ignition wiring—and clean or replace spark plugs. See that your lights, horn, and windshield wipers are in good working order.

4. **Brakes**—Be sure that the braking action is equal on all wheels. On ice even a slight "pull" can mean a skid.

5. **Tires**—Are the tread grooves deep enough for traction on slippery surfaces? How about the spare? Look for tire cuts, bruises, and lumps. Have your wheel alignment checked occasionally and observe the wear on treads. "Snow treads" will give needed extra traction in almost all ice or snow conditions.

Frank Denison To Attend Conference

URBANA-CHAMPAIGN, ILL.—Frank Denison, Guidance Counselor at Antioch Township High school, has accepted an invitation to participate in a pioneering University of Illinois conference aimed at helping Illinois high school graduates achieve greater success when they tackle required University rhetoric (English composition) classes. English teachers, counselors, and principals from 75 selected Illinois high schools will confer Nov. 19 and 20 with U. of I. faculty and administrative leaders and with 400 of their former pupils, now freshmen in the University.

The Conference on School-University Relations is one in a series inaugurated last spring by the University of Illinois, and conducted through the Office of Admissions and Records and Division of University Extension. Prof. Lowell B. Fisher is coordinator.

Purpose of the conferences is to seek out ways to help young people bridge the gap between high school and University work. This fall's theme is English preparation.

Driving off the road in a car can easily cause serious injury or death. Don't force the other fellow off the road. To reduce the chances of this happening, keep speed down, drive on the proper side of the road, do not pass on curves or hills or recklessly cut in and out of traffic. Be sure to take it slowly if you are driving on unfamiliar roads, after dark or in wet weather. Keep your mind, eyes and attention on driving your car on the road.

Card From Pakistan Ten Years Too Late To Get Merchandise

From far-off Pakistan came a card recently to an Antioch man, no longer living, ordering merchandise from a firm that doesn't exist.

The card signed by B. Latt, export manager, Pakistan Pipe Co., Sialkot City, Pakistan, was addressed to the late J. C. James of Antioch seeking an illustrated catalogue price list and sample of a fish stringer that James invented.

James, whose death occurred here more than 10 years ago was quite an inventor, produced a few of his inventions, but never had a factory. He patented a fish stringer, which today might be a good seller.

His son, Ralph C. James is vice president of Marsh and McLennan, insurance brokers, Chicago and his daughter is Louise Van Nuys, a talented musician.

The card was turned over to Lester Osmond for reply.

Contractors Invited To File Name With Public Works Office, Gr. Lakes

The installation of a new automatic Addressograph in the Ninth Naval District Public Works Office at Great Lakes is saving the Navy over three thousand dollars a year and is facilitating the advertising of the Navy's public works projects to obtain bids, according to Captain D. E. Carberry, CEC, USN, Ninth Naval District Public Works Officer.

The Public Works Office, which notifies contractors about upcoming projects, until recently has had the job of sorting through thousands of cards by hand to find those contractors who would be interested in the various projects. Two clerks and a great deal of time were required and even then the sorting was subject to human error.

Now, with the new Addressograph at work, only one clerk is needed; the sorting is done much faster; and the machine doesn't make mistakes.

Any contractors who do not have the name of their firm on file with the District Public Works Office are invited to make application to the Contract Branch of the District Public Works Office. The Contract Branch is located in Building 1-A and can be reached at telephone number Delta 6-3500, extension 2495.

Antioch Recreation Will Join Blind Fund Drive

The Antioch Recreation as a member of the Northwest Suburban Bowling Lanes proprietors, will join the Chicago Bowling Council and 75 suburban communities in a drive Nov. 11-17 to help blind and crippled children.

During the seven days, collections will be taken to provide tuition and transportation for both city and suburban children to attend regular nursery schools. This early association with sighted tots helps the blind to make an early start at living normally and successfully with their handicap, educators and child development experts explain.

LITTLE BILL says:

6¢ a load
is all you pay—
to dry the clean
electric way

An electric dryer will dry this normal 8-lb. load for only 6¢—2 sheets, 3 bath towels, 4 hand towels, 2

men's T-shirts, 3 pillowcases, 3 children's dresses, 2 luncheon cloths. Drying time only 25 to 30 minutes.

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

A new electric dryer will wipe out your wife's weather worries on washday (and costs less to buy than any other kind).

And for just 6¢ a load, electric dryers give you the cleanest way to dry clothes. Clean, dry, radiant electric heat—like the sun—turns out clothes that are soft, sweet-smelling every time.

Fast, too. Today's electric dryers will dry a full load in 25 to 30 minutes. All electric dryers are fully automatic, nothing to light, no igniting devices to require service.

We think you'll be surprised when your appliance dealer tells you how little it costs to own a modern electric dryer.

Lindenhurst

Mrs. John Selzer, Correspondent
Telephone Elliot 6-1172

Little Holly Behrendt, daughter of Mr. and Mrs. Harry Behrendt, is recuperating from major surgery performed this past week. We all hope she is her own bright self real soon.

Guests this past week in the John Selzer home were Mrs. John Molitor of Lake City, Iowa, and Mr. and Mrs. John Molitor, Jr. of Gowrie, Ia.

Mr. and Mrs. John Selzer and their guests were visitors on Friday evening in the home of their brother, Allen Molitor, Skokie.

The Canasta club held its first official meeting Wednesday, Nov. 6, in the home of Mrs. Helen Graves, having had a previous meeting in the home of Mrs. Jo Boynton to decide on dates and other arrangements. The club will meet the second Wednesday of each month in the members' homes. Refreshments were served and card prizes were awarded. Everyone reported they had a real good time.

The Lindenhurst Citizens Party, whose entire slate of village officers was elected in April, held an informal meeting in the home of Mr. and Mrs. John Slove, Sunset Lane, on Sunday evening, Nov. 3. Forty-two persons were present. The meeting was presided over by Fred Beller, village marshal. A publicity committee was formed with Douglas Sanders, chairman. Members are Mr. Mercer, Thor Neuman, Steve Krakowski, Henry Ploss, Eugene Barnes, Thomas McSorley and Ted Brendel. The purpose of this committee will be twofold, to inform the citizens of Lindenhurst of the party and its progressiveness, important doings of the village board, to gain membership in the party, and acquaint the general public of the 27th Lake County Village. A subcommittee consisting of Lyle Mercer and Stephen Krakowski was appointed as Ways and Means in a fund raising program. One of the first acts of the ways and means committee will be to organize a card party to which all citizens will be invited. Date of this card party will be announced later. A welcoming committee consisting of Mrs. T. Brendel, Mrs. Ray Caldwell, Mrs. Paul Hunt will contact old and newcomers and acquaint them with their neighbors, shopping facilities, ordinances and generally make them feel at home.

The Executive Board of the Lindenhurst Men's club has informed the club members at their regular meeting on Nov. 7 of the success of the Halloween dance held on Oct. 26. About 300 persons attended and danced till the wee hours. Success of the fund drive was also announced. Projected event is the Christmas party for all the children of Lindenhurst, ages 0 to 12, on Saturday, Dec. 21 from 4 to 7 p. m. Their parents need not be members of the club. A questionnaire will be mailed to everyone to determine the number of children and parents who will attend so that proper preparation can be made. A professional Santa Claus has been hired for the distribution of the gifts. A huge Christmas tree and other decorations will be in evidence, and other entertainment will be provided. About \$350.00 will be spent on this annual affair, and there will be no charge to anyone. Refreshments served will be soda pop, candy and cookies with coffee for the adults. The party will be in the clubhouse on Grand Avenue.

The committee for the Christmas party is John Slove, chairman; John Selzer, Richard Vanvorous, Ray Caldwell, Thomas McSorley and Ferris Scharton.

The members were also asked to vote on a change in the by-laws to permit the formation of a Ladies Auxiliary. The executive board has found that man cannot live alone and that the ladies, God Bless 'em, are practically indispensable.

The projected New Year's Eve party at the clubhouse was discussed and the members were informed that it will be necessary to limit participation only on a first come first served basis. Only 200 persons can comfortably be accommodated. An orchestra has been reserved and refreshments and entertainment

provided for. This party will mark the first year or birthday of the Club and toasts to the baby will be in order.

A professional caterer will serve the midnight repast and the bar will be open from 9 p. m. The hall will be appropriately decorated and mid-night the New Year Baby will make his appearance and change. Father Old Year will depart. A gala time is expected by all who attend.

Tickets for the policemen's ball are going like hot cakes. The profits of the ball will go toward the purchase of an equipped squad car

for the use of the Volunteer Police force. The ball is scheduled for January 25.

President Douglas Sanders of the Lindenhurst Men's Club asked the members at the Nov. 7 meeting to make nominations for officers of the club at the meeting scheduled for Dec. 5. The by-laws provide that nominations be made at the meeting prior to election of officers which is to be January 9, 1958. The meeting is to be the first Thursday of the month but since that is Jan. 2, it was decided to put it back a week.

Annexation of 80 acres of new territory has been completed by the village of Lindenhurst. The new territory consists of 40 acres known as the Root farm bordering on Lindenhurst to the northeast up to Beck road and over 39 acres south-west of Grand ave. nearly up to Fourth lake. The latter section is already being worked on by N. H. Engle and Sons company, who have nearly completed the basic roads and are now laying water mains. This section will be opened for sale in the spring of 1958. With these two additions it is predicted that the

population of Lindenhurst will probably reach 5000 within the next five years.

The fledgling police force headed by Marshal Fred Beller is going to have its own police academy. The police officers will be given a full course in police work including self-defense by an authorized Illinois police official. Emphasis will be placed on handling of arrests in a courteous manner in non-criminal cases. Law and new laws will be taught. Possible candidates for police assignments may be invited to attend. First aid and handling of

injured persons will be given. The Teen Girls Club of Lindenhurst, headed by Mrs. Virginia Mathis, is being formed and had its first bake sale which was a big success. Activities of this club are expected to take proportion soon with regular meetings scheduled at members' homes. The purpose of the club will be to provide social and service work for both boys and girls during the dull winter months. Little Jimmy McCombs, foster son of Mr. and Mrs. John Selzer, has been quite ill this past week with a virus.

Lake Villa

Mrs. Fred Bartlett, Correspondent
Phone Elliot 6-4454

Mr. and Mrs. Victor Young of Fox Lake were visitors at the home of Mrs. Tina Gerber and Arlene Gorman last Sunday.

Mrs. Bernard Schneider was ill at her home last week with the flu. Sheridan Burnette and Mr. and Mrs. Virgil Burnette of Antioch, Ray Burnette and Mr. and Mrs. Jacob Fish of Lake Villa were dinner guests last Sunday at the home of Mrs. George Richardson of Melrose Park.

The next dance sponsored by the Lake Villa VFW Auxiliary will be Tuesday, Nov. 19. The bus will leave the VFW home at 8:30 p. m.

Terry Abner was absent from school last week because of illness. Donna and Tommy Nickerson and Carla Bartlett were confined to their homes last week with the flu. They are all on the road to recovery.

Jack Perry returned last week from a hunting and fishing trip in Michigan.

Mr. and Mrs. Herman Wolff have been ill at their home last week.

Mr. and Mrs. John Effinger spent a few days last week fishing at Chetek, Wis.

Mr. and Mrs. Allen Hamlin and daughter of Chicago were visitors Sunday at the home of Allen's parents, Mr. and Mrs. Lester Hamlin.

Fred Bartlett, Jr., is ill at his home with the flu.

Mrs. Lulu Nelson returned to the Methodist Rest Home at Laurenceville, Ill., after spending a month with her daughter, Mrs. Carl Ekdahl of Grub Hill rd. Mr. and Mrs. Ekdahl drove her to the home.

Mrs. B. J. Hooper spent last week with her daughter, Mrs. Ellis Trevis of Belvidere, Ill. Mr. and Mrs. Trevis are receiving congratulations on the arrival of a daughter born Wednesday, Nov. 6. They have three other children, Jimmy, David and Linda.

Nancy Hollis of Waukegan was a visitor Sunday at the homes of Mr. and Mrs. Fred Bartlett, Jr., and Mr. and Mrs. Ralph Abner.

Cecile Blumenschein and Matilda Bartlett were Kenosha visitors Tuesday.

Mrs. Walter Schneider entertained a number of women at her home Tuesday morning for breakfast. After breakfast a jewelry and clothing demonstration was held.

Thala Rush, director of Lake Villa School band, Doris Blumenschein, Betty Schneider and Constance Schneider drove to Chicago last Thursday with the baton twirlers, Linda Ladewig, Patricia Dibble and Norma Blumenschein who twirled on the Totem Club program. They are pupils of O'Shea Baton school of Waukegan and members of the Lake Villa band.

John Hamlin of St. Bede Academy at Peru, Ill., and Bob Hamlin of Loras College at Dubuque, Iowa, spent the week end of Nov. 2 with their parents, Mr. and Mrs. Lester Hamlin.

PUBLIC NOTICE

NOTICE OF PROPOSED FILING
To the Patrons of the Illinois Bell Telephone Company:

The Illinois Bell Telephone Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission a proposed change in its Telephone Local Exchange Tariff for the Lake Villa Exchange which involves an extension of the base rate area.

A copy of the proposed filing may be inspected by any interested party at the business office of this company at the business office of the pany at 404 Lake Street, Antioch, Illinois.

All parties interested in this matter may obtain information with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

ILLINOIS BELL TELEPHONE COMPANY

By R. N. Hawkinson, Manager

LEGAL NOTICE OF SPECIAL ELECTION ANTIOCH TOWNSHIP HIGH SCHOOL DISTRICT NUMBER 117, LAKE COUNTY, ILLINOIS

NOTICE IS HEREBY GIVEN that on the 30th day of November, 1957, a special election will be held in and for Antioch Township High School District Number 117, County of Lake and State of Illinois for the purpose of submitting to the voters of the District the following proposition:

Shall the annual tax rate for the educational fund of Antioch Township High School District 117, County of Lake and State of Illinois be increased to .80 per cent of full, fair cash value?

Supplementary Data. It is estimated that the approximate amount of taxes extendible for educational purposes under the proposed increased rate of .80 per cent is \$312,000.00; and that the approximate amount of taxes extendible for educational purposes under the present rate of .65 per cent is \$253,500.00.

For said election the said School District, has been divided into three voting precincts, the boundaries and polling places for which have been established as follows:

Precinct No. 1 to serve all residents of Antioch and Newport Townships in the Antioch Township High School District 117.

Polling place: Antioch Township High School.

Precinct No. 2 to serve all residents of Lake Villa Township in the Antioch Township High School Dis-

trict 117, excepting residents of the Village of Lindenhurst and the portion of the high school district that lies in Lake Villa Township east of Beck Road.

Polling Place: Lake Villa Grade School.

Precinct No. 3 to serve all residents of Lake Villa Township in the Antioch Township High School District No. 117 residing in the Village of Lindenhurst and the portion of the high school district that lies in the Lake Villa Township east of Beck Road.

Polling place: Lake Villa Grade School Building in Lindenhurst.

The polls for said election will be opened at 12:00 o'clock noon and will be closed at 7:00 o'clock P. M. Central Standard Time of the same day.

Voters are permitted to vote in precinct of residence only.

By order of the Board of Education of Antioch Township High School District Number 117, County of Lake and State of Illinois.

Dated this 25th day of September, 1957.

LESTER HAMLIN, President
HAROLD W. WILSON, Secretary

COUNTY ZONING NOTICE STATE OF ILLINOIS

COUNTY OF LAKE } ss.
TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on December 2, 1957, at 1:30 P. M., in the Village Hall, Antioch, Illinois, rela-

tive to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the R-4 Residential District, to the B-1 Business District, the following described real estate, to-wit:

Lots 59, to 68 inclusive, in Golf View Manor, Unit No. 3 of Lakes Center Subdivision, being a subdivision of the Northwest quarter of the Northeast quarter of Section 25, and all that part of the West half of the Southeast quarter of Sec. 24, lying Southerly of the center of the public highway, all being in Twp. 46 N., R. 9, East of the 3rd P. M., according to the plat thereof, recorded April 25, 1928, as Doc. 316674, in Book "S" of Plats, pages 74, 75 and 76, in Antioch Twp., also

All of that part of the Southeast quarter of the Southeast quarter of Sec. 24, Twp. 46 N., R. 9, East of the 3rd P. M., which lies Southerly of the center of the Highway and Northerly and Westerly of the channel from Bluff Lake to Petite Lake.

As a result of the petition of CHARLES M. SMITH AND ELSIE C. SMITH, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

Millburn

Mrs. Frank Edwards, Correspondent
Phone Elliot 6-3323

Regular services at Millburn Congregational church Nov. 17 include Sunday School at 9:30 A. M. and church services at 9:30 and 11 A. M. The Men's Club held its regular monthly meeting at the church Monday evening. After the business meeting a sound film "Realm of the Wild" was shown.

The Study Group met this (Thursday) morning at 9 o'clock at the home of Mrs. Walter Wertz of Druce Lake.

Mrs. Beulah Newyear of Russell and Frank Reynolds of Bristol were united in marriage Saturday afternoon at Millburn Congregational church by the Rev. L. H. Messersmith. The reception was held in the evening at the Ralph Berkey home at Russell.

Mr. and Mrs. Kenneth Young were sponsors at the baptismal services for two months old Laura Ann, daughter of Mr. and Mrs. Herbert Kasch on Sunday, Nov. 10, at the Resurrection Lutheran church at Franklin Park.

Mr. and Mrs. Glen Cain of Waukegan were callers at the home of Mr. and Mrs. Charles Lucas Monday.

Mrs. J. Kaluf and Mrs. Frank Edwards were supper guests at the John Edwards home at Libertyville Sunday.

Mr. and Mrs. Bernard Prange and daughter, Gloria, of Lake Forest, and Mr. and Mrs. Austin Anderson of Kenosha were guests at the Herbert Prange home Sunday afternoon and evening.

Mr. and Mrs. Don Voightlander and sons of Kenosha were dinner guests at the Herbert Graham home Saturday evening.

Mr. and Mrs. William Paulsen and family attended the wedding of the latter's niece, Virginia Bliss, of Bellewood and Carl Nelson of Ottawa, Ill., at the First Presbyterian church of Bellewood Saturday evening. Judy Paulsen was maid of honor and Paul Paulsen was ring bearer.

Miss Judy Paulsen of Evanston, Dolores Davis and Jerry Awe of Lake Villa were dinner guests at the home of Mr. and Mrs. Herbert Prange, Sunday.

Mr. and Mrs. Ray Harmer of North Chicago called at the home of Mrs. Frank Edwards Sunday afternoon.

Mr. and Mrs. Clarence Hauser of Paris Corners spent Sunday evening at the home of Mr. and Mrs. Frank Hauser.

Miss Sharon Weber of Lake Forest spent Sunday with her parents, Mr. and Mrs. C. P. Weber.

Sheryl Knox of Lake Villa spent Monday at the Herbert Prange home.

Mrs. Harley Clark and son, Glen, spent Sunday evening with Mr. and Mrs. James Bonner of Kansasville.

New Clinic at Orchard and Hillside Now Used by Six Doctors

This modern building at Hillside and Orchard streets is the new location of Dr. A. N. Berke, physician, his brother, Dr. B. N. Berke, dentist; Dr. Richard Carlucci, dentist; Dr. Samuel J. Harvey, orthodontist; Dr. Arthur W. Bywell, optometrist; and Dr. Joseph Martinucci, dental laboratory specialist.

MOOSE TOPICS

Events ahead for the Moose lodge include:

Dance, Saturday, Nov. 16, 8 p.m.
Feather Party and Dance Saturday, Nov. 23, 8 p.m.
Get-together Saturday, Nov. 30, 9 p.m.

At the last regular meeting Bill Dunworth and Peter Bicanic were picked in our membership drawing for a \$50 cash prize, but both were absent. Attendance is necessary.

The large crowd at the open house party exhausted the supply of bartenders, so May Palmer showed the boys how the job should be done.

Bud and Alice Bushmole rode out a raging snowstorm north of Milwaukee Friday night to get to Manitowoc for a visit and a look at a real Moose on the Rahr farm.

The entertainment committee of the Moose mixed bowling league is working hard to arrange an evening of fun for all members, bowlers or not. The party and lunch will be held at 9 p.m. Saturday evening, Nov. 30.

The biggest aluminum smelter in the world, located at Arvida, Canada, and operated by Aluminum Limited of Montreal, stretches a mile and three-quarters in length.

National Parks Ranked First In Popularity

Illinois and Indiana state parks increased in visitor popularity during the 1957 vacation season as approximately 71.4 million Americans used the automobile for vacation travel, according to Curtis F. Proud, director of the Chicago Motor Club's Travel and Touring Bureau.

In 1957, an estimated 80 million American vacationists will have spent \$12 billion on foreign and domestic travel by Dec. 31, Proud said. The average car carries 3 passengers, and covers 1,400 miles in 12 days, or 11.5 billion miles in pursuit of pleasure, he added.

Some 18 million motoring vacationists traveled the highways between April and September, the director said, adding that 28 million cars will be used for vacations during the entire year.

Vacation habits remained unchanged during the season except for a few noteworthy points, Proud said.

National parks ranked first in popularity luring an estimated 55 million tourists as compared to 26 million visitors 10 years ago. Also, more people are taking summer vacations in Florida, a chief winter resort state, he said.

From inquiries requesting camping and trailer sites, it appears that house trailers are becoming more popular, and vacationists desire a taste of the rugged, outdoor life.

A shift was also indicated in regard to the travel dollar. Motor

vacationists seem to be looking for cheaper accommodations in order to have more money to spend on recreation, the motor club director said. At present, the motorist's travel dollar is broken up six ways: food, 28 cents; lodging, 22 cents; retail stores, 20 cents; gas and oil, 19 cents; entertainment, 8 cents, and tires, parts, and repairs, 3 cents.

GAS "Burner-with-a-Brain" BIG PRIZE Contest

1ST PRIZE \$1000.00

2nd PRIZE \$500.00; 3rd PRIZE \$250.00

plus BONUS AWARDS!*

Here's All You Have to Do!

① See the Wonderful GAS "Burner-with-a-Brain."

Just go to your nearest Northern Illinois Gas Company store or any gas range dealer located in the area we serve. There, you'll learn about the marvelous new gas "Burner-with-a-Brain"! You'll discover for yourself how automatic modern GAS cooking can be. You just dial the temperature you want and heat is perfectly maintained by a dependable thermostatically controlled device, called the "Burner-with-a-Brain". It makes your pots and pans automatic! Foods can't scorch or burn... you can relax instead of being chained to the kitchen "watching the pot".

② Obtain an Official Entry Blank!

Ask for an official entry blank at the store where you see the GAS "Burner-with-a-Brain". Complete the statement in 25 words, or less, on why you like the GAS "Burner-with-a-Brain". That's all you have to do. Another nice thing about this contest is that it's limited to you and your neighbors served by Northern Illinois Gas Company... so you have a better chance to win! Don't delay... contest closes midnight, Saturday, November 30, 1957.

*Special Bonus Awards, too!

Prize winners will be given a special bonus award if they have purchased a gas range during the contest from Northern Illinois Gas Company, or a gas appliance dealer located in the area we serve. This award will be in an amount equal to the purchase price of the range bought by the prize-winner.

Franklin 2-5122

This WEEK'S

U of I MARKET BUY

Actual marketing factors are less important than a rising tide of cut price competition this week in Chicago. If you do not vote with confidence for the much heralded "one stop shopping," use store advertising as the guide to lower food budgets. With a short work week and higher wholesale costs for fresh meats, consider:

Smoked pork hams—ham, Boston butts, picnic.
Higher poultry prices—fryers, stewing hens, turkeys.
Fresh fruit & vegetable bargains—bananas, grapes, tomatoes.
Groceries, pick a price, marketwise—peas, corn, potatoes.
Eggs—medium sized are better value.

Based on Market Survey
For Week Nov. 11-16.

GMC Money-Makers available in models from ½ to 45 tons

It's here and you're invited! Come take your

First look at a smart performer

TODAY we're proudly displaying the 1958 GMC Money-Maker. And we think you'll find it the handsomest hustler you ever handled.

An eager 200 horsepower swings a top load like a cargo of feathers. Turning ease is like power steering's.

A fast-ratio cruising axle gives you an overdrive's road pace and gas savings. Foam-rubber seats cradle you in a roomy cab. Boulevard styling carries out the feeling of luxury.

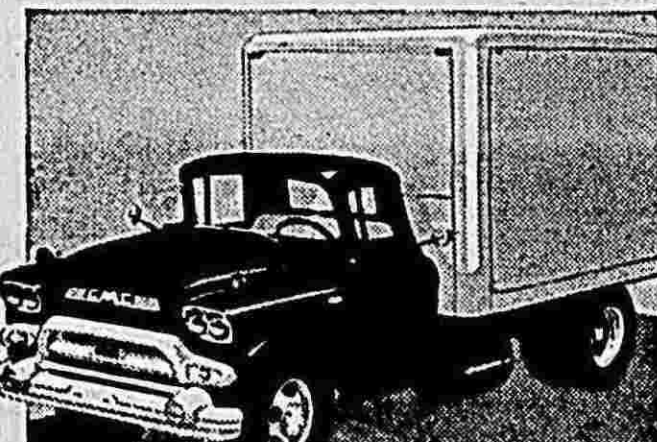

But this beauty is built like a pocket battleship. You'll see that in its massive spring hangers. In rear springs with the highest deflection rate of all light-duties.

You can sit solidly on an unhooked end of its tail gate—and you can't crinkle the roof or door panels with a smack of your hand.

You'll get the same quality instrument panel as on the big, \$10,000 GMC heavy-

duties. A radiator mounted on a bulkhead integral with the frame. A steering column braced like a mast.

These and more tell the inside story of GMC stamina. Come in and see for yourself. Why not do it today?

THE SOLID LOOK—Beautiful but rugged, GMC's full family of fine trucks also includes Truck Air Suspension models, Super Tandems and America's No. 1 Diesel. From a half-ton to 45 tons, every GMC is a Money-Maker!

GMC—America's Ablest Trucks

U. of I. Food Report

CHICAGO—Higher cost fresh meats and poultry, lower quality produce markets, and price-cutting in groceries frequently below cost typify Chicago's retail food picture this week in a razzle-dazzle promotion contest condition that could make the winter weather seem warmer.

The University of Illinois consumer service weekly market survey of metropolitan food outlets indicates "actual marketing factors becoming less important than a rising tide of cut price competition." The situation was painted as having entered "phase two of special promotion campaigns," characterized by pricing in many grocery lines below cost.

Confounding the practice of pegging consensus market values in this U of I column is:

1. The short holiday work week for livestock markets.

2. Generally rising wholesale costs for fresh pork, most beef lines and in poultry, notably fryers, and

3. A new siege of adverse weather that has thrown the south and southwest produce regions for another loss, severely affecting quality.

Although the intangible factors of this type of competition cannot be predicted, it does serve as a counter balance to the real market factors. The net result: consumer alertness can peg the weekly food sales slip a bit lower in total costs.

For the week ending Nov. 16, homemakers might consider the following market comments:

Fresh meats generally higher—beef least of all, and the probable top value in fresh lines. Pork roasts, chops and spare ribs also are higher at all market levels. Lamb has reached price ceiling in most stores. Smoked pork items—hams, Boston butts, picnics.

Higher poultry prices—fryers, stewing hens, turkeys.

Fresh fruit and vegetable bargains—apples, bananas, cranberries, citrus; tomatoes, potatoes, onions, acorn squash, lettuce.

Eggs—medium sized are the better value.

Groceries, pick a price, market-wise—peas, corn, tomatoes.

A barometer in higher retail meat quotes from last week's levels is found in fresh pork lines, showing rib roasts up 4c, loin roasts up 10c, fresh Boston roasts up 6c, center chops up 10c, spare ribs up 2c, and in cured lines, top-brand hams up 4 to 6c. Changes from week-ago levels for ham, smoked Boston butt and picnics are mainly as featured items rather than market changes.

In beef lines, round steak is lowest priced at the 49-69c range, sirloin from 89c and porterhouse lowest at 98c. Blade cut pot roast is tagged mostly 43-45c, with meatier round bone cuts about 16c higher. Little change retailwise is noted for lamb or veal.

Turkeys have stabilized at typical spreads, at least until Thanksgiving week—hens 45-49c, toms 39-43c generally. Frying chickens are higher, competitively 35-39c, stewing hens price the same range. Egg markets continue to price higher, as expected, medium sizes continue a value buy at 47-49c.

Tax Facts

Those who would ask for just a little government aid, for only a little while, to get them over a temporary hump, should pause and study other "little" government programs presently in being.

The manner in which small government programs become huge spending monsters is illustrated by the brief history of the President's Committee on Education Beyond High School. Two years ago this group was granted an initial \$150,000 appropriation and was to make a report of its findings by December 31, 1957.

However, in the 1957-58 budget there are two small items that have received little, if any, attention at all. One of these is a \$200,000 appropriation to enable the committee to complete its reports. Another seeks \$250 million for grants and subsidies. Thus, in 24 months a \$150,000 appropriation to establish a study group has mushroomed into a rapidly growing program to put into effect recommendations that have yet to be made.

Another program, Social Security, was conceived in 1935 for a worthy purpose—to put a floor of protection under those who because of age were no longer able to support themselves by working. But now Social Security may be required to move into a highly expensive field.

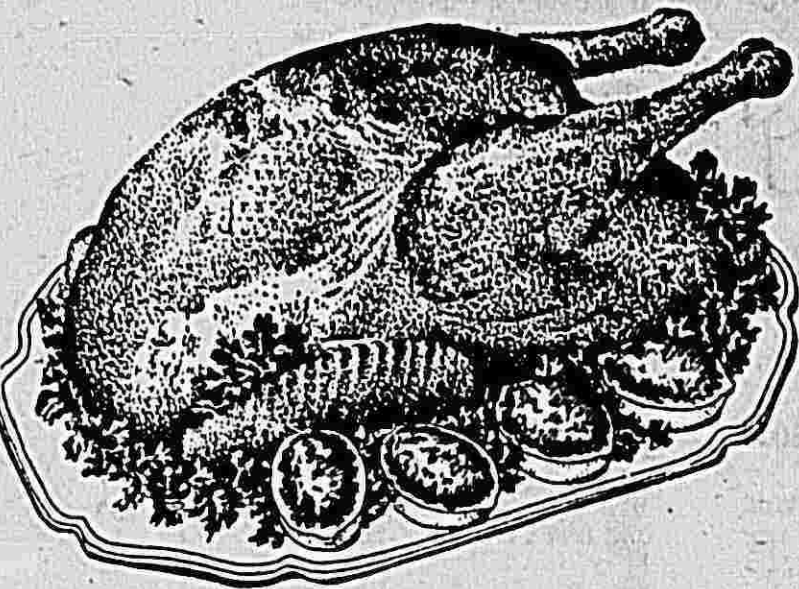

Under a bill now before Congress Social Security would pay hospital, surgical and medical expenses for those getting Social Security benefits or entitled to them. This includes some 12 million persons now and the number is growing.

The route that follows will be opened up; pressure to force into the plan hospitals which do not enter voluntarily; rising hospital costs to those under 65; demands that the age limit for government-financed treatment be lowered, etc.

These examples are food for thought and reflection. No matter how small a project is when it starts, no matter how temporary it is supposed to be, the results will be permanent, with the birth of a gigantic spending program that will cause the taxpayer to dig deeper for years to come.

TURKEY-A-DAY-GIVEN-AWAY!

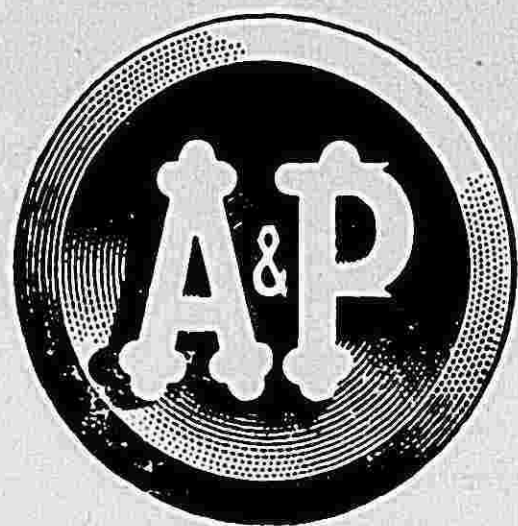

In Each A&P Food Store thru Nov. 23rd

2583 FREE 16-lb. TOM TURKEYS

GIVEN FREE BY A&P IN THIS AREA

There is nothing to buy or pay. Just fill in your name and address on a free entry ticket. A&P employees or their family are not eligible. Winners need not be present to win, they will be notified.
